'A MARKET MAINSTAY:' OBS SPRING SALE BEGINS TUESDAY

OBS sales grounds | OBS

by Jessica Martini

The Ocala Breeders' Sales Company's Spring Sale of 2-Year-Olds in Training, the bellwether auction of the juvenile sales season, begins its four-day run Tuesday and continues through Friday with bidding beginning each day at 10:30 a.m.

"We are hoping to capitalize on the momentum that we had at our March sale," said OBS Director of Sales Tod Wojciechowski. "There are an awful lot of good horses on the grounds. There is a lot of activity on the grounds right now. We are looking forward to a good sale."

The 2024 renewal of the Spring sale set highwater marks for average and median, with 630 horses selling by the close of business on the auction's final day for a gross of \$81,994,000, an average of \$130,149 and median of \$70,000. Both records improved on figures set just the year prior.

"We kind of keep our heads down and just try not to focus on records," Wojciechowski said of the potential for new records in 2025. "But I do think the catalogue stacks up very well. I am always amazed at how the consignors outdo themselves every year with the quality of horses that they bring. We have a good representation of young sires, proven sires, so it's a very good catalogue."

OBS April Preview cont.

The juvenile sales season began last month with the OBS March sale, a longtime select sale which was making its 10th appearance on the calendar as an open sale. During its decade as an open sale, the March auction seemed at times to be eclipsed by its April counterpart, but this year's strong renewal produced seven million-dollar-plus juveniles, including an OBS record \$3-million colt. The Spring sale, which had five seven-figure juveniles in 2022 and three in 2023, produced just one, a \$1.9-million daughter of **Tiz the Law**, in 2024.

Rather than seeing the two sales as competitors, Wojciechowski sees them as complementary.

"The pendulum has swung a little bit back to March, but I don't think it's to the detriment of April," he said. "This is the one sale that, if you are going to go to a 2-year-old sale, this is where

everybody comes. I think April has really grown and evolved and matured into a market mainstay."

As bidding opens at the April sale, consignors seem resigned to seeing a familiar polarity in the marketplace.

"More of the same," consignor Tom McCrocklin said when asked for his expectations for the April market. "I might have guys lined up at my table wanting horses \$200,000+, and I don't have one guy there asking if I have one for \$40,000. They just aren't here. I didn't see them in March anyway. I don't know where they've gone, but they are not in numbers at the 2-year-old sales."

Another concern for the middle market this coming week in Ocala is the volatility in the stock markets.

"Certainly you would rather not see all that stuff coming out," Wojciechowski said of the uncertainty in the global economy. "I will tell you that there is a ton of international interest here looking at horses."

Wojciechowski continued: “And if you look back at March, the stock market wasn’t at its peak and we had just had all of the decoupling stuff come out and there was certainly some not so nice things in the news during that sale. But people put their blinkers on and they bought horses.”

During last week’s under-tack preview for the Spring sale, 27 juveniles shared the fastest furlong time of :9 4/5, while six posted the co-fastest quarter-mile time of :20 2/5.

“We got very fortunate with the weather last week,” Wojciechowski said. “Any bad weather seemed to hit us overnight. It didn’t interrupt any of our days and conditions were fairly consistent. We had a pretty substantial wind on Monday and we caught a headwind yesterday starting about mid-morning and then gradually increasing during the day. It wasn’t as brutal as what we experienced in March, but it certainly had an effect and I think the buyers recognize that.”

Hips one through 302 will be offered during Tuesday’s first session of the auction, followed by hips 303 through 604 on Wednesday, hips 605 through 906 on Thursday and hips 907 through 1207 on Friday.

TDN Derby Top 20 cont.

Pros: This \$825,000 FTSAUG colt by **Curlin** from trainer Michael McCarthy's stable is an adaptable, athletic stalker with a long, purposeful stride who was won four straight, including three stakes. The best sophomores in the west have been unable to beat him. Both starts at age three have produced triple-digit Beyer Speed Figures. Journalism has shown he can overcome trip adversity, and is highly attuned to in-race cues from his regular rider, Umberto Rispoli. This colt has no problem racing at the fence covered up by other horses, and has enough tactical speed to pick his own advantageous prowling position somewhere in the front third of the 20-horse Derby.

Journalism | Benoit

Cons: The presumptive Derby favorite hasn't had much experience in large fields, with four of his five lifetime starts coming against only four rivals. Although Journalism's most recent victory in the GI Santa Anita Derby was the most authoritative among this year's nine-furlong Derby preps, it also appeared to be the most taxing. He was trapped down inside entering the far turn and had to shoulder aside a rival, overcoming a significant momentum stop before running hard through the lane. Having only two starts at age three is a recent-history negative.

From 2017 through 2024, horses with only two sophomore starts prior to the Derby have been a collective 0-for-49. (However, that two-at-three template worked well over the previous decade, producing eight Derby winners between 2007 and 2016.)

2) RODRIGUEZ (c, Authentic--Cayala, by Cherokee Run) 'TDN Rising Star'. O-SF Racing LLC, Starlight Racing, Madaket Stables LLC, Stonestreet Stables LLC, Dianne Bashor, Determined Stables, Robert E. Masterson, Tom J. Ryan, Waves Edge Capital LLC and Catherine Donovan; B-Kingswood Farm & David Egan (KY); T-Bob Baffert. Sales history: \$485,000 Ylg '23 KEESSEP. Lifetime Record: GSW 5-2-2-1, \$522,800. Last start: WON Apr. 5 GII Wood Memorial Stakes.

THINK INDIAN CREEK	
Benson Farm Graduate	

Pros: When this \$485,000 KEESSEP colt trained by Bob Baffert wired the GII Wood Memorial Stakes, his final time of 1:48.15 was the fastest nine-furlong clocking in any points-awarding Derby prep stakes since 2022. The free-running Rodriguez seems to be developing similarly to his 2020 champion sire, Authentic, who was 5-for-5 when he established command and led throughout, but just 1-for-3 in races where he either didn't make the lead or was tasked with stalking. Rodriguez's new jockey, Mike Smith, raved after the Wood about how relaxed this colt was after Baffert removed blinkers for that Apr. 5 stakes. Rodriguez handled legit pace pressure from the favorite and crossed the wire with his ears pricked, indicating a comfort level that will be a huge help if that mojo carries over into the Derby.

Cons: Authentic was a May 5 foal who took a while to mentally mature, and he benefitted greatly by the pandemic forcing the 2020 Derby to be delayed until September. Rodriguez, too, is a late (May 20) foal, meaning he won't actually turn three until three days after the second leg of the Triple Crown. Is he cognitively dialed in for an arduous race the like Derby at this stage of his development?

TDN Derby Top 20 cont.

Rodriguez wired a so-so field in the Wood on a day when horses either on the lead or dueling won 10 of 13 races, so it's legit to ask how much a speed-favoring surface factored into the end result. Historically, the Wood is a poor prognosticator for Derby success, with only two winners in the past 44 years (Fusaichi Pegasus in 2000 and Pleasant Colony in 1981) parlaying a win in New York into a blanket of roses at Churchill Downs.

3) TAPPAN STREET (c, Into Mischief--Virginia Key, by Distorted Humor) O-WinStar Farm LLC, CHC, Inc. and Cold Press Racing. B-Blue Heaven Farm (KY). T-Brad H. Cox. Sales history: \$1,000,000 Ylg '23 FTSAUG. Lifetime Record: GISW, 3-2-1-0, \$643,400. Last race: WON Mar. 29 GI Florida Derby.

St George SALES GRADUATE

Pros: Tappan Street, a \$1m FTSAUG colt by Into Mischief, is the type of horse you'd bet in the Derby if you sense he's an up-and-coming star who has yet to peak. Through only three lifetime races, this smooth-traveling Brad Cox trainee has adeptly handled most challenges tossed his way. He won his debut in a seven-eighths sprint at Gulfstream (three next-out winners); ran second as the fave in the GIII Holy Bull Stakes behind next-out GI Blue Grass Stakes winner Burnham Square (**Liam's Map**), then won the Florida Derby under confident handling by Luis Saez. His career arc is similar to that of 15-1 upsetter **Mage** in the 2023 Derby in that they both prepped at Gulfstream with only three lifetime races and both posted 94 Beyers in the Florida Derby (**Mage** was second, beaten one length). Since its inception in 1952, the Florida Derby has been the most productive path to the Kentucky Derby winner's circle, with 25 of the last 73 Kentucky Derby winners prepping in the Florida Derby.

Cons: Since 1900, 29 horses have attempted to win the Derby off exactly three lifetime starts, and the only ones to do it were Regret in 1915, Big Brown in 2008, **Justify** in 2018 and **Mage**. Tappan Street is also against the grain of the same recently unproductive "two starts at age three" angle that Journalism (and Nos. 4, 5, 7 and 19 on this list) will try to overcome.

4) SOVEREIGNTY (c, Into Mischief--Crowned, by Bernardini) O/B-Godolphin (KY); T-William I. Mott; Lifetime Record: MGSW & GISP, 5-2-2-0, \$572,800. Last start: 2nd Mar. 29 GI Florida Derby.

Bridlewood Farm Training Graduate

Pros: This Into Mischief-sired homebred for Godolphin has a pedigree that resonates with Classics-winning royalty, including Secretariat, Seattle Slew, Affirmed, Spectacular Bid, A.P. Indy, Empire Maker and Bernardini. **Cont. p7**

Sovereignty can reliably be counted upon to fire with one sustained run from off the tailgate, and his last-to-first annihilation of the GII **Street Sense** Stakes in October stood out as one of the more visually impressive two-turn efforts by a 2-year-old last season. This colt overcame the outermost post nine over Gulfstream's short-stretch configuration to win the Mar. 1 GII Fountain of Youth Stakes, and he was gaining on Tappan Street when second from post 10 in the Florida Derby, a prep for which trainer Bill Mott probably did not have Sovereignty fully cranked.

Cons: Falling in love with a deep closer for the Derby can be hazardous to your bankroll. Speed-centric horses who raced either on the lead or just off it crossed the finish wire first in every Derby between 2014 and 2021 (although two were DQ'd). Yes, horses from off the pace have won the last three Derbies (Rich Strike in 2022 and **Mage** in 2023 rallied from well back while Mystik Dan won in 2024 with an inside stalk). But it's still difficult to get behind one-run tailgate types like Sovereignty knowing that the fates for well-meant closers in the Derby so often end up being pace- and trip-dependent.

TDN Derby Top 20 cont.

Pros: If you're a believer in the 2-year-old champ's overall body of work and the all-business, front-running force he displayed when wiring three graded two-turn stakes between October and February, you're going to be rewarded with an overlaid mutuel in the Kentucky Derby. Last-race recency bias will account for bettors jumping off Citizen Bull's bandwagon after his fade to fourth in the Santa Anita Derby. Trainer Bob Baffert has already publicly shouldered some blame for not getting another prep race into this \$675,000 KEESEP son of Into Mischief during the winter/spring campaign, and this colt being "short" for his first race in two months is probably the most logical explanation for his poor performance. In the Santa Anita Derby, Citizen Bull broke running, conceded the lead, then was asked to duel with a 44-1 rabbit; he looked out of his element, never being able to establish any sort of in-race rhythm. Much like in stablemate Rodriguez's write-up above, letting this colt roll straight out of the gate appears to be the key to getting him primed for a rebound result.

Cons: The most obvious thing going against Citizen Bull is the possibility that the assessment above is completely wrong and that the punchless finish we saw at Santa Anita is exactly what we'll get in Louisville. That would make Citizen Bull the ninth straight champion juvenile male not to win the Derby. And that bit about sending him to the lead? Both Citizen Bull and Rodriguez share common ownership interests. Are we to expect Baffert will instruct one rider to back off from what could be a hot pace between the Derby's two main speed threats, or will it be a stablemate-versus-stablemate free-for-all once the gates open? Citizen Bull's biggest hurdle is history: Only two winners of the GI Breeders' Cup Juvenile in 40 years have ever won the Derby (*Street Sense* 2007, *Nyquist* 2016).

6) LUXOR CAFE (c, American Pharoah--Mary's Follies, by More Than Ready) O-Koichi Nishikawa; B-Orpendale/Chelston/Wynatt & Westerberg Ireland ULC (KY); T-Noriyuki Hori. Lifetime Record: SW-Japan, 6-4-1-0, \$377,323. Last start: WON Mar. 29 Fukuryu Stakes.

Pros: This Kentucky-bred son of *American Pharoah* from Noriyuki Hori's stable passes the eye test based on his rhythm, response and ability to produce a startlingly quick turn of foot in the late stages of his races.

Luxor Cafe has now won four straight (twice over a metric nine furlongs), and has twice beaten *Admire Daytona* (Jpn) (*Drefong*), who subsequently rebounded to win the G2 UAE Derby. This colt is a full brother to Japanese dirt champion *Cafe Pharoah*.

Cons: Although Derby handicappers in America have gotten wise to the talents of top-level Japanese horses in big races like the Derby and the Breeders' Cup, it is still difficult for most of us to get a true read on the quality of competition these horses have been facing.

7) EAST AVENUE (c, Medaglia d'Oro--Dance Music, by Ghostzapper) 'TDN Rising Star'. O/B-Godolphin (KY); T-Brendan P. Walsh. Lifetime Record: GISW, 5-2-1-0, \$654,395. Last start: 2nd Apr. 8 GI Blue Grass Stakes.

Bridlewood Farm Training Graduate

Pros: 'TDN Rising Star' East Avenue may have come up a nose short in the GI Blue Grass Stakes, yet in a case of the second-place horse making a more emphatic statement than the winner, he earned every point of his form-redeeming, 96-Beyer effort by sustaining improved speed under pace duress over a track that was not rewarding frontrunners. After setting torrid fractions while racing with blinkers on, this Godolphin homebred from Brendan Walsh's barn looked certain to be swallowed up by a wall of horses off the final turn. Instead, he stayed on better than expected to reclaim the lead late, only losing it in the last few strides to the onrushing *Burnham Square*.

Derby Top 20 cont.

East Avenue had enough early lick to wire a six-furlong sprint on debut last August, then stretched that speed around two turns to win the GI Breeders' Futurity Stakes in start number two. He was the beaten fave in the Breeders' Cup Juvenile because of a botched break from the one hole, then mystified his connections in February with an explanation-defying 10th in the GII Risen Star Stakes. You have to be willing to take the tradeoff that this colt is on the upswing despite two ugly races in the middle of his past performance block, but a price around 20-1 in the Derby could make it worth the gamble.

Cons: As much as East Avenue ran well against the grain of a closer-favoring Keeneland strip in the Blue Grass, a speed bias very much aided his 5 1/4-length front-running blowout there last October, and the horses he beat in that short-stretch Breeders' Futurity went a collective 0-for-9 in their next starts. In addition, the Blue Grass this year came up light on paper and produced a final time (1:51.33) that equates to the second-slowest edition of that stakes since Keeneland switched back to dirt from synthetic in the fall of 2014. And the :13.44 final furlong during which East Avenue clawed back his lead was also below par, clocking nearly a half a second slower than any final eighth out of the nine Derby-qualifying stakes at the nine-furlong distance in 2024-25.

8) BURNHAM SQUARE (g, Liam's Map--Linda, by Scat Daddy) O/B-Whitham Thoroughbreds, LLC (KY); T-Ian R. Wilkes. Lifetime Record: GISW, 6-3-1-1, \$977,755. Last start: WON Apr. 8 GI Blue Grass Stakes.

LAMBHOLM SOUTH Training Graduate

Pros: Two months ago, trainer Ian Wilkes described Burnham Square as "a plain ol' horse," admitting that the connections of this Whitham Thoroughbreds homebred by **Liam's Map** weren't initially sure how talented a prospect he might turn out to be. Now, despite wins in the Holy Bull Stakes and Blue Grass Stakes, this off-the-pace gelding could very well still be flying beneath the radar of Derby bettors. That's not necessarily a bad thing, because low-profile contenders who consistently show up on race day and produce results without much public pressure are a valuable commodity. Burnham Square has already beaten No. 3 Tappan Street in their only meeting in February, and he was fourth, beaten only three lengths by No. 4-ranked Sovereignty when they met in March. Both those Gulfstream races were over short-stretch configurations with the finish line at the sixteenth pole, a layout that usually does not benefit closers like Burnham Square.

Cons: As stated in East Avenue's write-up above, there's no getting around the fact that the Blue Grass was a slowly run race after a hot first half mile, and that setup played to the advantage of Burnham Square bidding his time from last. In the Holy Bull Stakes, this gelding got very agitated during the post parade and pre-race warm-ups; it's something to file away and recheck when the chaos of Derby day rolls around.

9) SANDMAN (c, Tapit--Distorted Music, by Distorted Humor) O-D. J. Stable LLC, St. Elias Stable, West Point Thoroughbreds and CJ Stables; B-Lothenbach Stables Inc (KY); T-Mark E. Casse. Sales History: \$1,200,000 2yo '24 OBSMAR. Lifetime Record: GISW, 8-3-1-2, \$1,254,595. Last start: WON Mar. 29 GI Arkansas Derby.

Pros: As far back as Aug. 10, when Sandman broke his maiden sprinting seven furlongs at Saratoga in his second lifetime start, trainer Mark Casse told *TDN* that, "Since day one, he always showed that he was kind of head of the class," adding that this \$1.2 million OBSMAR son of **Tapit** developed an early knack for handling new assignments with ease. Since then, Casse has tested Sandman with six races at a mile or longer, and the gray has responded with nice progression by honing a reliable late run that looks well suited to 10 furlongs. Sandman's 99-Beyer score in the GI Arkansas Derby didn't appear to take too much out of him, and he's never been worse than third in a two-turn race.

Sandman | Coady Media

Cons: Sandman's Arkansas Derby victory was aided by a colossal pace meltdown on the front end that saw two leaders peel off from the pack by 10 lengths down the backstretch, and he was able to uncoil late with no serious challengers threatening him late in the lane. Although we've seen him finish well both by coming up the fence and swooping around horses off the far turn, Sandman still has intermittent focus loss through the stretch, and jockey Jose Ortiz stated after that Mar. 29 Oaklawn win that he knows Sandman doesn't like to be whipped left-handed based on how Sandman veered out sharply when struck once from that side in the Arkansas Derby.

10) RIVER THAMES (c, Maclean's Music--Proportionality, by Discreet Cat) 'TDN Rising Star'. O-CHC, Inc. and WinStar Farm LLC; B-CTR Stables, LLC (NY); T-Todd A. Pletcher. Sales history: \$200,000 Ylg '23 SARAUG. Lifetime record: 4-2-1-1, \$261,900. Last start: 3rd Apr. 8 GI Blue Grass Stakes.

LEGACY

Pros: 'TDN Rising Star' River Thames has had four starts since debuting with a win sprinting at Gulfstream on Jan. 11, and his Beyer range has been very consistent at 94-92-95-94. This New York-bred (\$200,000 SARAUG) by **Maclean's Music** from trainer Todd Pletcher's barn also scored in a one-turn-mile allowance, and his first try around two turns in the Fountain of Youth Stakes was a better-than-it-looked second, beaten only a neck, by Sovereignty.

Cons: River Thames had a trouble-free talking trip in last week's Blue Grass Stakes, but despite appearing primed to pounce at both the quarter and eighth poles, his run through the lane lacked spark. He ended up third in that slowly run stakes.

11) TIZTASTIC (c, Tiz the Law--Keesha, by Tapit) O-Winchell Thoroughbreds LLC, Mrs. John Magnier, Michael B. Tabor and Derrick Smith; B-Capital Bloodstock (KY); T-Steven M. Asmussen. Sales history: \$80,000 Ylg '23 KEEJAN; \$335,000 Ylg '23 KEESEP. Lifetime Record: GSW, 8-3-1-2, \$1,549,800. Last start: WON Mar. 22 GII Louisiana Derby.

Sold by Denali

Pros: Tiztastic (80,000 KEEJAN, \$335,000 KEESEP) won the GII Louisiana Derby (95 Beyer) by rallying from ninth, but he has previously been effective stalking closer to the pace. Big fields have not fazed this **Tiz the Law** colt from Steve Asmussen's stable: He's twice competed in 10-horse races, and once each in fields of 12 and 13.

Derby Top 20 cont.

For a colt who has not yet technically turned three (Apr. 30 foaling date), it's quite an accomplishment for him to have already won million-dollar races on both turf and dirt (the grass win was the Juvenile Mile Stakes at Kentucky Downs last September).

Cons: When Tiztastic scored in the Louisiana Derby, he was passing only spent horses. That stakes hasn't historically been productive prep for Louisville: Only Black Gold in 1924 and Grindstone in 1996 have pulled off the elusive Louisiana/Kentucky Derby double.

12) FINAL GAMBIT (c, Not This Time--Pachinko, by Tapit)

O/B-Juddmonte (KY); T-Brad H. Cox. Lifetime Record: GSW, 4-2-1-1, \$520,639. Last start: WON Mar. 22 GIII Jeff Ruby Steaks Stakes.

Pros: This Brad Cox-trained gray homebred for Juddmonte has been closing from far back on both turf and Tapeta, and what he lacks in polish and finesse is counterbalanced by the impression that he has the potential to be scary-good once his mental acuity catches up with his physical ability. In several of his races he's unleashed an unexpected extra kick inside the eighth pole that seems to come out of nowhere, and his 90-Beyer victory in the GIII Jeff Ruby Steaks Stakes saw him coasting clear late despite giving up nine paths of real estate off the final turn.

Cons: Final Gambit has either gawked around or shied from rivals he was passing in the stretch in each of his last three races. Jockey Luan Machado said after the Jeff Ruby win that sometimes, "when he's between horses, he doesn't try as hard as when he's in the clear." That could be problematic in a 20-horse field like the Derby, which is also going to be Final Gambit's first career race on dirt.

Final Gambit | Coady Media

Potentially rounding out the starting gate...**13) COAL BATTLE (Coal Front)**

Pros: Coal Battle (\$70,000 TTAYRL) is a versatile overachiever who has scored on the front end and from farther back while winning four stakes in succession earlier this campaign (Jean Lafitte Stakes at Delta Downs, Springboard Mile Stakes at Remington, plus the Smarty Jones Stakes and the GII Rebel Stakes, both at Oaklawn). He let loose with a decent middle move in the Arkansas Derby, but despite looking like the horse to beat on the far turn, his bid was only good enough for third. He has consistency on his side and figures to go off relatively ignored in the Derby betting, likely north of 35-1 odds.

Cons: Trainer Lonnie Briley said after Coal Battle's last race that he believed the colt got too hot and bothered prior to the Arkansas Derby, which was out of character and probably cost him some energy in the race. Was that behavior a one-race aberration or will Coal Battle act up even more when faced with a high-energy crowd of 150,000 at Churchill? Handicappers have to factor in the possibility that Coal Battle already peaked between November and February, a concern that could be reflected in his Beyer Speed Figure arc, which topped out at 91 in the Rebel.

14) MADAKET ROAD (Quality Road)

Pros: Madaket Road's only victory came back in Dec. 26 in a Santa Anita maiden race, but he earned Kentucky Derby qualifying points by finishing third, second and fourth, respectively, in the GIII Robert B. Lewis Stakes, Rebel Stakes and Florida Derby. He stalked just off the pace in his first three starts but attempted to make the lead in his last two; with two other higher-ranked contenders from the Bob Baffert barn already earning spots in the Derby as likely pacemakers, it would be reasonable to expect this \$650,000 FTSAUG colt to be tasked with sitting just behind the first flight. Baffert horses have crossed the finish line first in seven Derbies (one DQ'd) and he hasn't always won with his perceived "best" entrant, so the trainer angle has to be considered among Madaket Road's positive attributes.

Cons: Madaket Road's best speed-figure race, the 90-Beyer second in the Rebel Stakes, was accomplished with him opening up a daylight lead on the backstretch and an even wider between-calls margin into the stretch. Yet he still couldn't hang on when confronted by Coal Battle, a colt who regressed to third in his next start. **Cont. p12**

Derby Top 20 cont.**15) GRANDE (Curlin)**

Pros: Grande, a \$300,000 KEESEP colt from Todd Pletcher's stable, was wide on both turns of the Wood Memorial, yet he finished well enough to be second behind wire-to-wire winner Rodriguez. He was closing against the grain of a speed-favoring Aqueduct surface that afternoon after having previously won a one-turn-mile maiden and a nine-furlong allowance, both at Gulfstream, in his only other two lifetime starts.

Cons: He's very light on experience and will be up against the same only-three-lifetime-starts obstacle detailed in Tappan Street's write-up.

16) AMERICAN PROMISE (Justify)

Pros: This 750,000 KEESEP colt wired an Oaklawn maiden field on Dec. 29, but after finishing out of the money in two subsequent stakes at Oaklawn and Fair Grounds, he looked more in his element pressing outside of a favored speedster in the Mar. 15 Virginia Derby (95 Beyer). His trainer, Hall-of-Famer D. Wayne Lukas, has won four Kentucky Derbies. Nine lifetime starts, with eight of them at a mile or longer, suggests a decent foundation for American Promise attempting 10 furlongs.

Cons: The Virginia Derby was a one-turn, nine-furlong race, and after wresting command a half-mile from home, American Promise didn't have to deal with any late threats that might have given us a better sense of how he might fare when faced with multiple waves of closers. The two horses who finished second and third while 7 3/4 lengths behind him were fifth and ninth, respectively, in their next stakes starts in the Blue Grass and Wood Memorial.

17) CHUNK OF GOLD (Preservationist)

Pros: It's awfully difficult not to root for a Derby contender who only cost \$2,500 at the FTKOCT auction. This gray Ethan West trainee has outrun his odds every time he's raced and is usually passing horses in the lane when it counts, with his two most recent races both second-place tries in the nine-furlong Risen Star Stakes and the 1 3/16-miles Louisiana Derby. He paired 92 Beyers in those two efforts.

Cons: This son of Preservationist only has a six-furlong maiden win over Tapeta at Turfway to his credit.

18) ADMIRE DAYTONA (JPN) (Drefong)

Pros: Admire Daytona (Jpn) stayed on under pressure in the UAE Derby. This Yukihiro Kato trainee was hounded on the lead by multiple challengers, briefly lost the lead in a three-way stretch battle, then prevailed in the final jump to win by a nose.

Cons: This ¥66-million JRHAJUL weanling, whose first five starts were in Tokyo, was all-out to win the UAE Derby, and you have to wonder if the exertion from that race, when coupled with him having to endure another halfway-around the globe shipping experience, is going to be too much to overcome in Kentucky.

19) FLYING MOHAWK (Karakontie {Jpn})

Pros: Flying Mohawk may be only 2-for-6, but trainer Whit Beckman thought highly enough of him to race him in a New York graded grass stakes while still a maiden last autumn, and he's never been beaten by more than five lengths. This colt (\$25,000 KEENOV, \$72,000 KEESEP) rallied late to gain second in the Jeff Ruby over Tapeta at Turfway despite some trouble at the break, and he has plenty of large-field experience, competing three times in fields of 12 and once in a 10-horse race.

Cons: He's never raced on dirt and his lifetime-best Beyer is 84, which is 20 points shy of what it usually takes to be a major player in the Derby.

20) PUBLISHER (American Pharoah)

Pros: This \$600,000 FTSAUG colt by American Pharoah is a maiden who finished seventh, fourth, then second in Oaklawn's series of graded stakes preps. His 95-Beyer placing in the Arkansas Derby, in which he was equipped with blinkers for an improved effort, is his standout accomplishment.

Cons: Publisher brings an 0-for-7 record into the Derby. Steve Asmussen is 0-for-26 in the Derby, currently the longest losing streak for a trainer.

MINESHAFT RETIRED FROM STUD DUTY AT LANE'S END

Horse of the Year **Mineshaft** (A.P. Indy) has been retired from stud duty at the age of 26, and will be pensioned at Lane's End, the farm announced Monday morning.

In excellent health as he transitions to the newest stage of his life, **Mineshaft** wraps a breeding career which saw him garner acclaim as one of the leading sons of the great A.P. Indy, including being named a top five general sire in 2024 and a top 20 lifetime active sire.

Bred and campaigned by Bill Farish, James Elkins Jr., and W. Temple Webber Jr., he began his racing career in England as a juvenile in the shed row of John Gosden, but was returned to the U.S. after showing a strong affinity for the dirt.

Mineshaft Pensioned cont.

Moved to Neil Howard, **Mineshaft** would go on to win four races at the highest level as a four-year-old, namely the GI Jockey Club Gold Cup, GI Pimlico Special, GI Suburban Handicap, and GI Woodward Stakes. Off of that season, he was named the Horse of the Year and champion older male and was retired to a stud career which spanned over two decades.

From 20 crops to his credit, **Mineshaft**'s progeny have earned over \$101-million in purses with some of his top horses including G1 Saudi Cup hero **Senor Buscador**--who accounts for over \$12-million of that tally--who now stands at the same farm and will carry his sire's banner. His eight Grade I winners include the late Effinex; MGISW It's Tricky, dam of MGSW & GISP Enticed (**Medaglia d'Oro**); True Timber; **Dialed In**, himself among leading sires; Discreetly Mine, who stands in Uruguay; Weep No More, a producer of winners in Japan; and Bond Holder.

Mineshaft | Lane's End

"Mineshaft is a tremendous horse in all aspects--a champion racehorse and a top sire," said Lane's End president, Bill Farish. "We are so pleased that he is retiring from stud in wonderful health and will enjoy a long retirement at his birthplace."

"Mineshaft means so much to our family and to the farm. When he arrived home at Lane's End following his retirement from racing, literally everyone on the farm gathered at the stallion barn to celebrate his accomplishments and to welcome him home. He is a very special horse."

Mineshaft is the son of 2003 Broodmare of the Year Prospector's Delite (Mr. Prospector), who was a multiple Grade I winner in her time as a racehorse and only gilded her page during her second career as a broodmare. The GI Kentucky Oaks-placed mare was responsible not just for **Mineshaft**, but his multiple Grade I winning full-sister Tomisue's Delight, who in turn went on to produce GISW Mr. Sidney (Storm Cat). His full-brother MSW & GSP Rock Slide went on to a stallion career as did his half-brother Monashee Mountain (Danzig).

This is the extended female family of 'TDN Rising Star' MGSW Be Your Best (Ire) (Muhaarar {GB}); MGSW & GISP Revolutionary (War Pass); MSW Rated by Merit (Battalion Runner); and GISW Dickinson (**Medaglia d'Oro**).

HIGHER PURSES, ADDITIONAL STAKES HIGHLIGHT 2025 SEASON AT COLONIAL

An expanded schedule with higher overnight purses and additional stakes events will feature this summer at Colonial Downs during a 41-day stand from Wednesday, July 9 through Saturday, Sept. 13.

A total of 31 black-type races worth a total of \$5.85 million are programmed for the meet, highlighted by the Colonial Festival of Racing Saturday, Aug. 9 and featuring the \$1-million GI Arlington Million, the GII Beverly D. S. and the GII Secretariat Stakes. The meet's fourth and final graded event takes place on Saturday, Sept. 6 with the running of the \$500,000 GIII Old Dominion Derby. Co-featured that afternoon is the \$250,000 Listed Old Dominion Oaks, and both races take the spot on the calendar previously occupied by the Virginia Derby and Virginia Oaks. The latter two events were moved to the dirt to serve as prep races for the GI Kentucky Derby and GI Kentucky Oaks, respectively.

Overnight races will offer \$70,000 for open maiden special weight contests (\$87,500 for Virginia-restricted races), while allowance races will feature purses up to \$80,000 for open runners and \$90,000 for their Virginia-restricted counterparts.

Eight races will be run under starter-allowance conditions on Thursday, Aug. 23 as lead-ups to this year's Claiming Crown. The top two finishers in each race receive automatic berths into the corresponding race on Claiming Crown Day, to be held Saturday, Nov. 15 at Churchill Downs.

AL PIKE RETIRING FROM HIGHLANDER TRAINING CENTER, COLIN BRENNAN TO TAKE REINS

Al Pike is set to retire from his position as director of sales and the conditioner for 2-year-olds in-training at Highland Training Center, and will be replaced by Colin Brennan after the Fasig-Tipton Midlantic sale in May ends, the center announced via press release.

While Pike will be retiring to Lexington, Kentucky with Brennan making the move to Texas, Pike will continue to work with Highlander in a consulting and advisory role. **Cont. p14**

Al Pike Retiring cont.

The retiring director and training began his career with horses in 1978 but eventually transitioned to a fruitful pinhooking career. Pike has sold three juveniles who went on to race in the GI Kentucky Derby--MGSW & MGISP Vjack (Into Mischief), who earned north of \$1.4-million in his career; MGSW Vicar's In Trouble (Into Mischief), winner of over \$1.3-million; and MGSP Frammento (**Midshipman**).

Colin Brennan and Al Pike | Highlander Training Center

In 2016, he sold Modest Maven (Uncle Mo)--whom he had purchased for \$80,000--for a million to Chester Broman, and she would go on to noteworthy success as a broodmare via her sons, SP Overstep (Into Mischief), who sold to Repole and St Elias Stables for \$360,000 as a KEESEP yearling, and SW & MGSP Arctic Arrogance (**Frosted**), who was retained by the Bromans to race in their colors. Pike has also sold 2023 G3 UAE Oaks victress Mimi Kakushi (**City of Light**) and Hong Kong multimillionaire, Group 1-placed Chancheng Glory (Mor Spirit). His most recent success story is the evergreen Louisiana-bred GSW Touchuponstar (Star Guitar), who got his start with Pike Racing. Pike came to Highlander in 2023 to focus on developing their 2-year-olds in-training program.

"The people here at Highlander have been amazing to work with," said Pike. "I can't thank them enough. And I can't think of a better person than Colin Brennan to come in and continue what we've started."

Colin Brennan hails from a horse family as the son of Niall Brennan, and who grew up in the sales ring. He holds degrees in Equine Business Management, Equine Anatomy, and Exercise Physiology, Brennan is also a graduate of the Godolphin Flying Start program (known as the Darley Flying Start program when he was admitted in 2012). He's worked for Niall Brennan Stables, Bill Mott, and Mike Ryan, and with horses like **Essential Quality**, **Mystic Guide**, and **Nyquist**.

Brennan will take over the sales position in time for the Fasig-Tipton New York-bred Yearling Sale Aug. 10-11, which will be the first time where there will be a 'Colin Brennan Bloodstock at Highlander Training Center' consignment. It will be followed by the Texas Yearling sale Aug. 26 and the Keeneland September sale, where Highlander will be represented by a consignment under its own banner for the first time.

"This is a huge opportunity," Brennan said. "...[it's] the sort of opportunity a young horseman dreams about. Highlander is a first-class facility and this is a program that I'll be proud to represent."

"Colin is just the guy to take what Al has built and grow it into something even better, said Highlander's chairman and CEO, Jeff Hooper. "I'm very excited that we will be represented by Colin Brennan at Highlander consignments at major sales across the country, starting with the New York-bred sale at Saratoga, the Texas Thoroughbred Yearling sale, and the Keeneland September sale. I see a very bright future for Highlander."

SEVENTH ANNUAL LIVE TELETHON TO BENEFIT PDJF WILL BROADCAST ON FANDUEL TV AND FOX SPORTS

FanDuel TV, the New York Racing Association (NYRA), Keeneland, and Santa Anita will team up with Hall of Fame jockeys along with active riders and other prominent personalities Apr. 19 to raise money for the Permanently Disabled Jockeys Fund (PDJF) via the seventh annual telethon event.

According to the release sent Monday afternoon, the event will be broadcast on both FanDuel TV and *America's Day at the Races* on the FOX Sports family of networks as well as streamed on tv.com. Fans can participate by calling 1-844-884-7353 on Saturday, Apr. 19 between 12:30 p.m. and 6:00 p.m. or can donate directly on [the PDJF website](http://thePDJF.com). Fan favorite jockeys, active and retired, will be on hand live at call centers in California and Kentucky as their schedule permits.

Since its inaugural event in 2018, the telethon has raised over \$2-million in support of the PDJF.

“Seven years ago, this telethon was created as a vision of hope for the PDJF to raise awareness of our mission, share the stories of our recipients and raise funds for the program,” said PDJF president Nancy LaSala. “It is with immense gratitude to our industry partners--FanDuel TV, NYRA, America's Day at the Races, Keeneland and Santa Anita race tracks who provide the platform; their staff, the retired and active riders--and our volunteers who provide their talents and compassion, and our sponsors and donors whose support gives us our purpose to reach beyond the vision we had seven years ago to further our mission for the men and women the PDJF serves.”

“On behalf of the PDJF Board we thank everyone for supporting this vision on telethon day and throughout the year, it would not be possible without the collective efforts of all.”

Since its foundation in 2006, the PDJF has disbursed more than \$14-million to support disabled jockeys and is 100% reliant on charitable donations.

Candied (**Candy Ride** (Arg)) makes her 4-year-old debut after a solid sophomore season. She was right there in the GI Coaching Club American Oaks and the GI Alabama. Her form declined some when she ran third in the GI Spinster. She followed that with a distant third-place finish in the GI Breeders' Cup Distaff. She's taking a huge drop in class into a Grade III event and should win if trainer Todd Pletcher has her back at her best. **'TDN Rising Star' Tarifa** (Bernardini) is the other class horse in the race. She's a three-time Grade II winner and finished third in the Grade I Beholder Mile Stakes Mar. 8 at Santa Anita. She looked like a super-star-in-the-making after going 2-for-3 at two, including a third-place finish in the GI Breeders' Juvenile. This spot may be easy enough for her to win, but she's never really devolved after her 2-year-old year. **Occult** (Into Mischief) always tries, but rarely wins. She's on a seven-race losing streak, but didn't run poorly in any of those races. Likely to make her presence felt. --**Bill Finley**

He drew the 12-post and is facing some pretty tough customers here, but **Balnikhov** (Ire) (Adaay (Ire)) deserves another chance after having an awful trip in the GI Pegasus World Cup Turf Invitational Stakes. He finished 10th of 12, but was bottled up the entire length of the stretch and was given no chance by Oisín Murphy. Florent Geroux picks up the mount. In his only start at a mile-and-a-half, which occurred in the 2024 GII Hollywood Turf Cup, he ran one of the best races of his life, finishing a close second. **Limited Liability** (Kitten's Joy) is the obvious favorite and will be hard to beat for the combination of Shug McGaughey and Frankie Dettori. A repeat of his efforts in the GIII William L. McKnight S., the GII Red Smith S., and the **Nashville** Gold Cup will probably be good enough to beat this field. **Idratherbeblesed** (Unified) is a live longshot, who is listed at 20-1 in the line. He'll go to the front, and speed is always very dangerous in these marathon turf races. --**Bill Finley**

I don't know if he's good enough, but **Prince of Power** (Runhappy) is the only speed in this mile-and-three-sixteenths contest. Throw out his last race. He had no chance at seven furlongs. He returns to a route and can pull off a shocker if getting the right trip. **Duke of Love** (Cupid) returned after a 18-month layoff to run fifth in a seven-furlong allowance. Never a sprinter, the race was no doubt a prep for this assignment. **Uno Mas Bourbon** (Macho Uno) tangled with some good horses last year before returning with a third-place finish in a Gulfstream allowance run at a mile. He needs more distance and he will get it Friday. --**Bill Finley**

'IS HE A CLASSIC HORSE?': O'BRIEN SEEKS ANSWERS TO THE BIG QUESTION

Twain and Rachel Richardson | Emma Berry

By Emma Berry

ROSEGREEN, Ireland--It's that time of year again. The countdown to the Classics. Better than Christmas.

And there are few better ways to indulge dreams of what may be about to unfold in the coming weeks than by annoying Aidan O'Brien for a morning at Ballydoyle. He must find it irksome, all these pesky journalists turning up, as surely as the first swallow of spring. But if he does, he hides it well, and almost seems to revel in sharing what he clearly finds the most rewarding part of his job--watching the horses in their morning exercise.

It would be hard not to enjoy this daily cavalcade of some of the best-bred horses in the world, high-blowing their way past in a brisk canter and wandering back down the wood-chipped hill to repeat that task. Their riders are wired for sound back to the boss, and a reminder of the regality of their genes is emblazoned onto their saddle cloths and sheets. Where once there was a liberal sprinkling of the letter G to denote the many sons and daughters of Galileo (Ire) in the string, now it is more common to find F--his son **Frankel (GB)**--or indeed WB, Coolmore's big-money signing of a few years ago, **Wootton Bassett (GB)**.

TATTERSALLS BIDS TO BUILD ON 'PERFECT TIMING' OF BELIEVING AT CRAVEN SALE

By Brian Sheerin

There can be no bad time for a sale company to produce a Group 1 winner, but star graduate **Believing (Ire)** (Mehmas {Ire}) bagging a much-deserved breakthrough success at the highest level in the Al Quoz Sprint at Meydan last week provided Tattersalls with something extra to shout about on the eve of the much-anticipated Craven Breeze-Up Sale.

The George Boughey-trained speedster became the fifth Group 1 scorer to emerge from the Craven in the past three years alone, joining genuine top-notchers like 1,000 Guineas winner **Cachet (Ire)** (Aclaim {Ire}), Irish 2,000 Guineas hero **Native Trail (GB)** (**Oasis Dream {GB}**), dual Group 1 scorer **Vandeeek (GB)** (Havana Grey {GB}) and last year's Futurity Trophy winner **Hotazhell (GB)** (Too Darn Hot {GB}). **Cont. p6**

There is still the odd G about. Kyprios (Ire), of course, the stable's mighty stayer who is back for more and reportedly as enthusiastic as ever at the age of seven, not to mention recent Leopardstown maiden winner Stay True (Ire), one of only 13 in the late stallion's final crop.

A repeat assault on the Gold Cup at Ascot is Kyprios's major early-season target but O'Brien drops a tantalising hope of a somewhat different autumn finale for the eight-time Group 1 winner who is raced by Coolmore in partnership with his breeder Moyglare Stud.

"We're over the moon with Kyprios," he says. "We think he's forward. He is going to go to Navan and Leopardstown then Ascot, and if we got into the year as far as we got last year we might have a look at the Arc this year instead of going to the Cadran.

"His whole demeanour hasn't changed at all since he was a two-year-old."

This being spring, however, we are really here to talk about the Classics, and in particular the quintet staged in England, all of which are now sponsored by Betfred, which is offering a £2 million bonus for a colt to win the Betfred Triple Crown.

We passed one on the way in--Nijinsky, commemorated in bronze at the entrance to Ballydoyle, not far from a similar memorial in Rosegreen to the man who trained him, MV O'Brien. That was back in 1970 and the wait goes on for the next Triple Crown winner, despite the best efforts of Camelot (GB) in 2012.

Only time will tell if there is one among the Ballydoyle ranks this year but among the most pressing of O'Brien's decisions to be made in the coming weeks will be in regard to which of the colts will go where. The G1 Criterium International winner and current Betfred 2,000 Guineas favourite Twain (Ire) (Wootton Bassett {GB}) does appear to be heading to Newmarket, while G1 Dewhurst runner-up Expanded (Ire) (Wootton Bassett {GB}) could remain at home for the Irish version. The two horses each made their debut in October and progressed straight into Group 1 company on their next starts, six days and seven days later, respectively.

"Obviously Twain is a Group 1 winner so if the two are going well at the time I'd imagine that we might let Expanded go to the Curragh to start in the Irish Guineas Trial and Twain could go straight into the Guineas," he says.

"Twain never saw a horse in his maiden. The plan was to drop him in and to educate him but he jumped out and that was it, he won six lengths. So he really only went to France after having a racecourse gallop, because he went around by himself. Ryan [Moore] rode him in France and he was very green but he won very nicely," O'Brien adds.

"It was a hard thing to ask them to do, for both of them to back up six or seven days later. Expanded was going to the Dewhurst for experience for next year but when The Lion In Winter came out he got put in the front line unfairly and then there weren't many runners in the race and he got into a duel with the third horse three furlongs down. So it was very hard on him what happened but he still ran a massive race."

The other pair of **Wootton Bassett** colts, Camille Pissarro (Ire) and Henri Matisse (Ire), are likely to be seen in the G1 Poule d'Essai des Poulains.

"We thought that race would suit them because it's around the bend and down the hill, whereas the English Guineas is on a straight at Newmarket which can be more demanding. That's the way we are thinking of splitting them up," says the trainer.

The destinations for last season's champion two-year-old filly Lake Victoria (Ire) (**Frankel {GB}**) and the G3 Killavullan Stakes winner Exactly (Ire) (**Frankel {GB}**), who was twice placed in Group 1s last year, depend on how quickly the returning champion steps forward.

O'Brien says, "Exactly is after having a run so the plan will be to go [to the 1,000 Guineas] and Lake Victoria is on the way back. We stepped her up a couple of weeks ago and she's really coming. She could be there in time. If she wasn't she would go to the Curragh [for the Guineas Trial], but it's very possible that she could be there in time and if that happens Exactly could go to the French Guineas."

Erstwhile favourite The Lion In Winter (Ire) ([Sea The Stars {Ire}](#)) is sidestepping the 2,000 Guineas but he will return instead to York, where he was last seen winning the G3 Tattersalls Acomb Stakes.

"The Lion In Winter is going to the Dante," says O'Brien.

"We're very happy with him. He's 80-90 per cent for the Dante and if that goes well then we will see whether they want to go to the Derby with him.

"He's a straightforward horse, and he's not slow. Most of the [Sea The Stars](#) [horses] seem to stay very well and we need to see if he stays. Obviously if he goes a mile and a quarter in the Dante we'll have a little idea."

He adds of recent G3 Ballysax Stakes winner Delacroix (Ire) (Dubawi {Ire}), "He will go back to Leopardstown for the Derrinstown [Derby Trial] and then he could go [to Epsom], and if Twain won the Guineas the lads would probably want to go to the Derby with him for obvious reasons."

Also heading to Epsom, more immediately for the Blue Riband Trial on April 22, is Trinity College (Ire) (Dubawi {Ire}).

The last time we saw the Niarchos family's colours carried to victory in the Oaks was with the emotional 2007 success of Light Shift, trained by Henry Cecil. O'Brien puts forward a daughter of [American Pharoah](#) raced in partnership with the family's Flaxman Stables as a "dark" horse for this year's fillies' Classic at Epsom.

He says, "Dreamy (Ire) is a filly that could be an Oaks filly. She's a very big price but she's a real mile-and-a-half filly. And the filly that ran at the Curragh, [Whirl (Ire)], they'll step up in trip and they'll be better going up, but Dreamy is kind of a dark filly."

Dreamy, winner of the G3 Newtown Anner Stud Irish EBF Stakes and fourth in the G1 Fillies' Mile, could be seen first in a trial at Chester or York, while Ballet Slippers (Ire) (Dubawi {Ire}), the first foal of Magical (Ire) who finished just ahead of Dreamy in the Fillies' Mile, is also being aimed towards Epsom eventually.

With the sun outbattling the clouds to make a tardy appearance for second lot, it is hard to disagree with O'Brien when he asserts, "The horses are forward and well and they're fairly fit. There's three weeks to go."

Stripped of their saddles and exercise sheets for a post-exercise roll, the Ballydoyle battalions do indeed look forward in their coats and raring to go. As the press gaggle closes in for question time and the horses pick grass in the background, their trainer takes to the microphone and asks the pack with a grin, "What will I sing?"

Every now and then an alarm buzzes in his pocket and he issues instructions to the riders through his walkie-talkie, even the period of relaxation for his charges timed to the minute.

"It's all little decisions all the time at every minute of the day," says O'Brien of his role at the head of some 300 staff at Ballydoyle. "Some of the decisions are wrong, some of the horses I might lean on a little bit too much and some not enough.

"You do enjoy it because you love it and that's what you love doing--watching them and listening to everyone about them and working out their minds. But the problem is then they have to go and race. There'd be no pressure if they didn't have to go to the races."

He continues, "In sport, everyone knows about failure, disappointment...victory. I'm always surprised when they win--shocked, because there's so many things that can go wrong, so many variables that you can't control. For it to happen, when it does happen, I'm always delighted for the lads, who put in an awful lot, and for the people working with the horses."

Those people working with the horses right under our noses this bright morning feature plenty of former stars of the weighing-room, including Adrian Maguire and Dean Gallagher (the latter the rider of Lake Victoria and Kyprios).

O'Brien adds, "Everything is about the people. All I do every day is go round to see everybody and try to keep everybody communicating. Everybody gets sick of me calling out people's names but they are the ones that are making it happen."

Communication beyond the walls of Ballydoyle is another important part of his daily life, to the core team of owners who either breed or buy the procession of bluebloods sent into O'Brien's care.

He says, "The first thing the boss wants to know is, is he a Classic horse?"

With Ballydoyle housing the favourites for the 2,000 Guineas and Derby once more, we won't have to wait too long for that question to be answered.

Tattersalls preview cont. from p1

Not a bad roll call, one might say, and Jason Singh, associate director at Tattersalls, says he can see no reason why that trend can't continue at Park Paddocks this week.

He said, "Believing winning the Al Quoz Sprint in Dubai was perfect timing and she becomes the fifth individual Group 1 winner to emerge from the Tattersalls Craven Breeze-Up Sale in the past three years alone.

"The great thing about those Group 1 winners is that there is a great mix of price tags," he added. "When you look at Cachet for example, she won the 1,000 Guineas and only cost 60,000gns. Then you have Native Trail, the Irish 2,000 Guineas winner who cost 210,000gns, dual Group 1 winner Vandeeek cost 625,000gns, then Classic prospect Hotazhell who cost 200,000gns.

"Then you have Believing, who cost 115,000gns, and she placed in five Group 1s before getting her deserved day in the sun in Dubai last week. Other than Vandeeek at 625,000gns, you could say that all of those Group 1 winners were extremely buyable so it's great to see the success has been spread right across the market."

It's not just Tattersalls that is rightly pleased with Believing. It was Mick Fitzpatrick's eye and pocket that spotted the potential in Believing at Book 2 of the October Yearling Sale from Baroda Stud for 70,000gns. Believing went on to turn 45,000gns profit for Fitzpatrick at the Craven in 2022 before joining Al Riffa (Fr) (**Wootton Bassett {GB}**), Blazing Speed (GB) (Dylan Thomas {Ire}) and Phoenix Of Spain (Ire) on Kilminfoyle House Stud's Group 1 roll of honour.

Fitzpatrick said, "It's good that the horses are progressing for the next person and that we are selling a good product. Not only can we stand by our own brand, but we can stand behind the breeze-up game as well."

"But this game is a lot of hard work," Fitzpatrick continued. "It's 24/7. Only for my staff, I wouldn't be able to do what I do. There's no logic to it at times. It's a fugazi and you just have to buy the best and sell the best that you can. Believing was placed in a few Group 1s and I was just hoping she would be able to get her head in front in one. It is a very elite thing, to win a Group 1. It's very, very hard to produce a Group 1 winner so it's very special when it happens."

Like any handler worth his salt, Fitzpatrick is concentrating on producing the next one and can call upon a smart-looking Lope Y Fernandez (Ire) filly [lot 101] as well as colts by **Justify** [44] and **Knicks Go** [52] and another filly by Maclean's Music [4]. His neighbours down in Somerville Paddock O, Tradewinds Stud, will have similar dreams going to bed on Monday after lot 65, a beautiful Havana Grey (GB) filly, showed up well on every time sheet post-breeze.

Alex Power said, "We've a lovely bunch of horses and have put five or six months of hard work into getting a day like today so it means a lot to me and Shane [brother]. You could go on for another five years and you might not have another day like it. It's hard to believe. We're not quite believing it but hopefully on Tuesday afternoon we will."

He added, "Nothing the Havana Grey filly ever did suggested that she wasn't good. Everything she did was done in a smart fashion. But you can never be too bullish, especially when they are good."

Not only are there good horses on the ground at Tattersalls but so, too, are the buyers. Kia Joorabchian was a notable inspector, alongside top bloodstock agent Alex Elliott, Robson Aguiar and the Amo Racing entourage, along with a host of top buyers and trainers. All promising signs, leading Singh to reveal there was 'quiet optimism' in the air on the eve of the sale, which kicks off at 5.45pm on Tuesday.

He said, "With this being the first of the major breeze-up sales of the year, there is definitely a certain level of cautious optimism. The breeze-up handlers always bring an outstanding bunch of horses to the sale and this year appears to be no different. There is a really good mix of stallions represented in this week's sale."

"We have nine Blue Points, three by **Candy Ride**, and a host of other sexy stallions like Dubawi, **Justify**, **Kingman**, Havana Grey, Mehmas, Night Of Thunder, **Sioux Nation** and Starman, who has made an exceptional start. Then you have the stallion who's arguably one of the most sexy stallions in the world right now, Too Darn Hot, and there are seven catalogued by him. Last but not least, **Wootton Bassett**, who had a remarkable 10 juvenile Group winners last year, has three horses in the sale."

ARIZONA BLAZE TOO STRONG IN THE SIGY FOR AMO AND MURRAY

Arizona Blaze | Scoop Dyga

By Tom Frary

Making every yard in Monday's G3 Prix Sigy at Chantilly, Amo Racing and Giselle De Aguiar's battle-hardened **Arizona Blaze (GB)** (Sergei Prokofiev) proved too tough and classy for a fascinating cast. Dropping back to 5 1/2 furlongs having finished a game third to Henri Matisse (Ire) (**Wootton Bassett (GB)**) in Leopardstown's seven-furlong G3 Ballylinch Stud Red Rocks Stakes, the 10-3 shot was out of reach as the 9-5 favourite **Polyvega (Ire)** (Lope De Vega {Ire}) encountered traffic attempting to come from behind.

At the line, the Adrian Murray-trained G3 Marble Hill Stakes winner and GI Breeders' Cup Juvenile Turf Sprint runner-up and G1 Phoenix Stakes third had 2 1/2 lengths to spare over **Estepona (Fr)** (Mehmas {Ire}), with Polyvega 3/4 of a length away in third and probably unlucky not to be a clear second.

"He's a beautiful horse who has done very well physically from two to three and is impressive now," jockey David Egan said. "Those two runs early in the season meant that he was ready for today and I loved the way he finished off after the post--it was quite a struggle to pull him up. He has a lot of natural speed and is a Commonwealth Cup type, a real sprinter."

Murray added, "We had it in the back of our heads that we might go for the Guineas, but after Leopardstown we kind of backed off that and said we'd go back sprinting. I certainly wouldn't rule out going back up to seven furlongs at the backend of the year, but we'll go for the Commonwealth Cup now and he might just take in the [G2] Sandy Lane Stakes. That's his 12th run today and he's never been out of the first four. He seems to improve with every run and we'll freshen him up now and we have a good idea where we're going." **Cont. p8**

Pedigree Notes

Arizona Blaze's dam Liberisque (GB) (Equiano {Fr}) is a daughter of the Listed Finale Stakes winner Jane Austen (Ire) (Galileo {Ire}), in turn a full-sister to the listed-placed Acapulco (Ire) from the family of the G3 Prix des Chenes-winning sire Evasive's First (Fr) (Evasive {GB}) and the G1 Derby Italiano winner Houmayoun (Fr) (Shernazar {Ire}). Liberisque's 2-year-old colt by Harry Angel (Ire) is named Ridger (Ire), while her yearling son of **Blackbeard (Ire)** was a 190,000gns purchase by Glenvale Stud at the Tattersalls December Foal Sale.

Shes Perfect: a graduate of the British EBF 2yo Series | *Scoop Dyga*

Headlining the Flat racing initiatives is the British EBF 2yo Series, with a total prize fund of £2.3 million and two finals. They will each be worth £100,000, with the fillies' race set to take place at Goodwood on Wednesday, September 24, before the colts and geldings take centre stage at York on Friday, October 10. Over 170 restricted maiden and novice races, worth up to £30,000 each, act as qualifiers.

Any EBF eligible horse who finishes in the top six of a qualifier can enter one of the finals, with no early closing restrictions and no staged entry fees. Now in its fourth year, the series continues to strengthen, with previous graduates including the G3 Jersey Stakes third Streets Of Gold (Ire) (Havana Gold {Ire}) and G3 Prix de la Grotte runner-up Shes Perfect (Ire) (**Sioux Nation**).

The British EBF will also offer increased support of the £3.3 million programme of High Value Development races in 2025, contributing £400,000 to the project.

"These races focus £3.3 million of prize-money into a vital, foundation area of the programme," said British EBF chairman Simon Sweeting. "Our 2024 races produced fantastic graduates, led by Manton Thoroughbreds' Rashabar. Second in a British EBF maiden at Chester's May meeting, he went on to win a scintillating Coventry Stakes at Royal Ascot and finished second in both the Prix Morny and Prix Jean-Luc Lagadere. Our races alone have produced a further 10 stakes winners or performers, including Listed winners Englemere and Lady With The Lamp."

With the BHA, Darley, Juddmonte and Tattersalls, the British EBF support 88 races for two-year-olds and three-year-olds, with minimum values of £40,000 for open maiden and novice races and £30,000 for restricted races. The collaboration is designed to provide owners and trainers with regular development opportunities and the ability to start making returns on training fees and the purchase price of a horse earlier in its career. **Cont. p9**

EUROPEAN NEWS

BRITISH EBF ANNOUNCE £2 MILLION SUPPORT FOR RACING IN 2025

The British EBF has released details of its programme for 2025, featuring 700 races and £2 million of contributions to horse racing's prize-money from 35 British stallion studs.

British EBF cont.

Meanwhile, the £250,000 British EBF Future Stayers Series celebrates its 10-year anniversary in 2025, returning with a programme of 12 races run for no less than £20,000 (Class 4), rising to £30,000 for a Class 2.

It headlines the British EBF support for the breeding and racing of middle-distances horses, with races only open to the progeny of sires and dams who ran over 10 furlongs or more. Previous graduates of this series include the multiple Group 1 winners Cracksman (GB), Hurricane Lane (Ire) and Stradivarius (Ire).

British National Hunt racing will also continue to benefit from the support of the British EBF, with total prize-money exceeding £900,000 across its 80 races. For the first time this year they include a series of 19 junior hurdle races for National Hunt-bred horses, with over £150,000 on offer, designed to mirror the early education options available to National Hunt trainers in France and Ireland.

Support of two pilot equine veterinary research projects is another feature of the British EBF agenda for 2025, both of direct benefit to the Thoroughbred.

Sweeting added, "To date, the British EBF has directly funded over £1.3 million of equine veterinary research projects, in addition to our £42 million prize-money allocations, and we are pleased to be building on that support by fully funding two projects in 2025.

"The Trustees selected a study covering inbreeding depression in Thoroughbreds and methods for non-invasive diagnosis of Rhodococcus equi pneumonia in foals. Both subject areas are of importance to the long-term health of the Thoroughbred and we are delighted to be supporting the aims of the HBLB in this important work."

JACKSON-STOPS NAMED RACING MANAGER OF VICTORIOUS RACING

Billy Jackson-Stops has been appointed as the racing manager of Shaikh Nasser Al Khalifa's Victorious Racing, with the former assistant trainer to Ralph Beckett describing the opportunity as a "great honour".

Victorious Racing's red and white silks have become an increasingly familiar sight in recent years, both at home in Bahrain and in Europe. High-profile runners for the team have included last year's G1 Nunthorpe Stakes and G1 Flying Five Stakes hero Bradsell (GB), as well as the George Scott-trained Isle Of Jura (GB) (New Approach {Ire}), who completed the Bahrain Triple Crown in the first part of 2024, before returning to Britain to win the G2 Hardwicke Stakes at Royal Ascot.

Billy Jackson-Stops | M3 Media

Isle Of Jura was sourced and bought by Jackson-Stops, who established JS Bloodstock Consultancy in 2018 after working as assistant to Beckett and for Godolphin in Australia.

"It is a great honour to have been appointed by His Highness Shaikh Nasser to serve as racing manager of Victorious Racing," said Jackson-Stops. "His Highness, and the Kingdom of Bahrain, are big supporters of British racing, as has been shown in recent seasons here. I'm very excited to be joining such a dynamic global sports brand and am looking forward to working with everyone within the Victorious Racing team."

JONATHAN GREGORY APPOINTED CHIEF COMMERCIAL OFFICER AT ASCOT

Ascot Racecourse announced on Monday that Jonathan Gregory has been appointed chief commercial officer.

Gregory joins Ascot from the Goodwood Group, where he has been since September 2020, first as commercial director and then as chief commercial officer from October 2024. He previously served as commercial director at Leicester City Football Club and Fulham Football Club, as well as gaining experience in senior commercial roles at leading venues worldwide, including Wembley Stadium and the Bahrain International Circuit.

"I'm thrilled to join Ascot Racecourse, one of the most iconic sporting venues in the world with such a prestigious history dating back over 300 years," said Gregory. "Ascot has a truly unique blend of heritage and innovation, so I'm excited to bring my experience and knowledge to this role as we look to expand the world-class offering that Ascot brings both on and off the track." **Cont. p10**

KINGMAN HALF TO COROEBUS DEBUTS AT NEWMARKET

4.45 Newmarket, Mdn, £22,000, 3yo, f, 8ft
VICTORY QUEEN (GB) (Kingman {GB}) is another significant runner in the Godolphin blue at the first big European meeting of the year for the operation, being a half-sister to the 2,000 Guineas hero Coroebus (Ire) (Dubawi {Ire}). Descended from that illustrious broodmare Eastern Joy (GB) (Dubai Destination), she has major residual value as does fellow debutante **Goldie Trickett (Ire) (New Bay {GB})** from the William Haggas stable. At €1.65 million the second-highest-priced yearling to sell at Goffs Orby Book 1 in 2023, Fiona Carmichael's representative is a full-sister to Saffron Beach (Ire) who captured the G1 Sun Chariot Stakes over this course and distance and the G1 Prix Rothschild.

Untroubled on the front end for the most part, the 8-5 joint-favourite was hustled along when threatened approaching the quarter-mile marker and stayed on strongly under a drive inside the final 300 metres to defeat market rival Avide (Ire) (Dubawi {Ire}) by 1 1/4 lengths. YULONG BUY UNBEATEN JUVENILE VINROCK

Yulong have added unbeaten two-year-old colt **Vinrock (Aus)** (I Am Invincible {Aus}) to their ranks, with the purchase confirmed on Monday. Winner of all his three starts, including a historic G2 VRC Sires' Produce and G1 Sires' Produce Stakes double, the colt will stay with trainer Matt Laurie.

Ambiente Friendly has his first outing for the James Owen stable as he bids to get back on track after a finale that went flat in the G2 Prix Niel in September. The Derby runner-up and Irish Derby third encounters **Persica**, who threatened briefly in the G1 Champion Stakes and gets the quicker ground he prefers, and one of Godolphin's classy stalwarts **Ottoman Fleet** whose tally of four wins and a second in five starts on his home track include the last two renewals of this.

Godolphin already have the hot favourite for the 1,000 Guineas in Desert Flower (Ire) (Night Of Thunder {Ire}) and so it is significant that another **TDN Rising Star** in **Verse Of Love** is set to go off favourite for his longstanding trial. So impressive over this course and distance in October, she is bred for further than this and will have to contend with a stern test of maturity facing the likes of the fast G2 Duchess of Cambridge Stakes winner and G1 Cheveley Park Stakes third **Arabian Dusk** and Listed Star Stakes scorer **Celestial Orbit**. William Haggas withdrew the 8 1/2-length soft-ground six-furlong Haydock novice winner **Nardra** from Saturday's G3 Fred Darling Stakes and whether she needs this good-to-firm surface remains to be seen.

One of those Fabre specials is in evidence here at the track he so loves, with the burgeoning sprinting talent **Sajir** bidding to add to his G3 Prix Sigy success of last term. The trouble is, he is up against a filly with potentially even more upside in **Romantic Style**, who is unbeaten at this trip in her last three starts over it which include the course-and-distance Listed Bosra Sham Fillies' Stakes as a juvenile. Needless to say, if she was good enough to subdue Ramatuelle (**Justify**) and Tamfana (Ger) (Soldier Hollow {GB}) in the G3 Prix Imprudence last April she should be clear favourite for this. Which of course she is.

Whether the 2,000 Guineas is as open as the betting and formbook suggests probably depends on what Twain (Ire) (**Wootton Bassett {GB}**) is capable of, but at this stage there definitely scope for the Craven to produce something significant. Not the same pointer it once was, due to a variety of reasons, this year's edition is a quandary with the quartet of proven performers engaged all having been upstaged after winning their group or graded stakes. Perhaps **Opera Ballo** is the answer, given that he has mainly followed the same route as Notable Speech (GB) (Dubawi {Ire}) and put up a significant time performance in comparison with last year's Guineas hero in Kempton's "European Road To The Kentucky Derby" Conditions Stakes in February. William Buick apparently thinks not, as he sides with the G2 Vintage Stakes winner **Aomori City** who will tell us more about one of the Newmarket Classic's leading protagonists Scorthy Champ (Ire) (Mehmas {Ire}) who he trailed when fourth in The Curragh's G1 Vincent O'Brien National Stakes. Juddmonte's **TDN Rising Star Field Of Gold** also came up short in his group 1 at two, but everything about his pedigree suggests he is only just getting started and he has that killer **Kingman** freshness to call upon here.

8	Sallaal (Ire)	Frankel (GB)	Sheikh Ahmed Al Maktoum	Roger Varian	Silvestre De Sousa	128

With the Derby and Prix du Jockey Club on the horizon, this early pointer sees Godolphin put forward one of their list of possible protagonists for the Classics in the Kempton debut winner **Masai Moon** and he is cut from the right cloth as a relative of Galileo (Ire) and **Sea The Stars (Ire)**. Also in the mix is Sheikh Ahmed Al Maktoum's Yarmouth novice scorer **Sallaal**, who as a half-brother to Benbatl (GB) (Dubawi {Ire}) and Elmalka (GB) (**Kingman {GB}**) has great upside as does Juddmonte's G3 Autumn Stakes third **Nightwalker**, a half-brother to Whitebeam (GB) (Caravaggio).
