

AT LAST A HORSE RACING PROGRAM THAT PAINTS A POSITIVE PICTURE FOR HORSE RACING

Jayson Werth features prominently in the final of six episodes of 'Race for the Crown' on Netflix | Sarah Andrew

A Review, by Bill Finley

Whether it was *60 Minutes*, the FX Network, HBO or some other programs, the television media has bludgeoned the horse racing game in recent years. The great parts of this game barely get mentioned while the programs concentrate on the ugly aspects, namely breakdowns and drugs. So it was reasonable to be worried that more of the same was on its way when Netflix announced it was producing a racing documentary called "Race For The Crown."

But this show, which includes six episodes, isn't like that at all. No spills or breakdowns are shown and the disgraced duo of Jason Servis and the Jorge "The Juiceman" Navarro are never mentioned. The idea, instead, is to portray racing in a positive light by telling the stories of some of its most compelling and colorful figures.

Race For the Crown is not for the type of people who read the *Thoroughbred Daily News*.

CHURCHILL DOWNS PAUSES KEY PROJECTS DUE TO TRUMP TARIFFS

Churchill Downs Incorporated (CDI) has decided to pause the multi-year projects to develop The Skye, Conservatory and Infield areas "due to the increasing uncertainty surrounding construction costs related to the Trump tariffs and trade disputes as well as current macro-economic conditions," the company said in a press release on Wednesday afternoon.

During their first quarter earnings call after the market closed, CDI said in the coming months it will assess the evolving economic landscape and evaluate any changes to the timing and sequencing of these multi-year projects.

Chief Executive Officer of CDI Bill Carstanjen said, "The decision to pause the Skye Terrace and infield projects was a difficult one for us to make because we do not want to disappoint our fans."

Netflix Race For The Crown, cont. from p1

We already know the Preakness is run two weeks after the GI Kentucky Derby, that the GI Kentucky Oaks is the sport's most prestigious race for 3-year-old fillies, that Wayne Lukas is a legend and that 2024 was a magical year for trainer Kenny McPeck. Don't expect to learn anything that you didn't already know.

But that's because horse racing insiders are not the intended audience. It is for people who don't know much about racing, but are intrigued by the sport and, with the Kentucky Derby approaching, want to learn more. It is much like the 2019 Netflix documentary "Formula 1: Drive to Survive," which has gone a long way toward making Formula 1 one of the most popular sports in the world. Can Race For The Crown do for horse racing what the Netflix series did for Formula 1?

Maybe not to the same extent, but if enough people watch the show, it can only help the sport grow. In the position horse racing is in, you can't ask for more than that. Netflix has 200 million-plus subscribers.

Race For The Crown | Netflix

Episode 1 covers the lead-up to the 2023 Breeders' Cup, and the focus is on Frankie Dettori, who wins the GI Breeders' Cup Filly & Mare Turf aboard Inspiral (GB) (Frankel {GB}). Dettori, who came out of retirement and decided to resume his career in the U.S., is one of the main characters in the program. He may be 53, but he has discovered that the flame still burns within, and he wants to keep riding.

"I'd rather die on the back of a horse than die of boredom," he says.

The beginning of the show also introduces us to Michael Iavarone and his wife Jules.

They made the show not because Iavarone won the 2008 Kentucky Derby and GI Preakness with Big Brown or because he has any top horses in training. No, it's because he has the temerity to go out in public dressed in garish jump suits straight from Elvis's closet, and wearing sunglasses that are three sizes too big for his face. You can't turn away from Iavarone for the same reasons why you can't turn away from a wreck on the highway.

Episodes 2 and 3 cover the road to the Kentucky Derby. It is here where we learn of the Twitter feud between high-profile owners Mike Repole and John Stewart and are introduced to Kenny McPeck and Brian Hernandez, Jr.

From there we move on to the Derby in Episode 4, followed by the GI Preakness and the GI Belmont.

The cameras have wisely been following McPeck, Mystik Dan (Goldencents) and Thorpedo Anna (Fast Anna) from well before they emerged on the scene at Churchill Downs. We first get to know them when they were at Oaklawn Park preparing for the Derby and Oaks. Someone was very smart--or very lucky?--to focus on and follow a longshot like Mystik Dan and a trainer who had never won the Derby in McPeck.

The story of the Preakness is of course then 88-year-old Wayne Lukas, who wins the race with **Seize the Grey** (Arrogate). But a lot of time is also spent on Katie Davis, who has a mount in the GII Black-Eyed Susan Stakes. An effervescent new mom, she is one of the stars of the show. Likeable and upbeat, she never gets down even though getting mounts can be a struggle. She gets emotional when telling the story of her first agent, who told her she didn't have what it takes to be a successful jockey.

The final episode is about the Belmont, trainer Danny Gargan and ultra-enthusiastic owner and retired MLB star Jayson Werth. They win the race with Dornoch (**Good Magic**) and you can tell that Werth is just as thrilled by this victory as any he enjoyed on the baseball field. He calls racing "the most underrated sport."

That's just the type of thing that can help sell the sport. For industry professionals, serious gamblers or devoted and longtime fans, 'Race For The Crown' might come off as the video version of 'Horse Racing for Dummies.' That's not to say it shouldn't be watched, not when those who work in and love the sport have been longing for just this sort of positive take on our game.

"However, we have a responsibility to be disciplined given the recent changes in the economic environment," he said.

Renovations of the existing Finish Line Suites and The Mansion at Churchill Downs Racetrack are expected to be complete by April 2026. The Trophy Room, which sits behind the Finish Line Suites, will also have its refit move forward. Changes to The Mansion will introduce updated finishes and other enhancements to an area that was built out in 2013.

"We are pleased to announce these new projects designed to significantly improve the Finish Line Suites and The Mansion which are two of our most exclusive areas of the racetrack," said Carstanjen. "We remain committed to growing our iconic flagship asset over the long term with projects that will provide new once-in-a lifetime experiences for our guests and deliver best-in-class shareholder returns."

CDI expects to spend approximately \$25-30 million on these new capital projects. With company's first quarter ending Mar. 31, the earnings call reported a record net revenue of \$642.6 million--up \$51.7 million or nine percent--compared to the prior year quarter. Also, record adjusted EBITDA of \$245.1 million was up \$2.6 million or one percent the year over.

INFLUENCER GRIFFIN JOHNSON JOINS THE TDN WRITERS' ROOM PODCAST PRESENTED BY KEENELAND

Griffin Johnson | Photographer

Griffin Johnson may not be well known within horse racing circles, but that doesn't mean he can't help the sport. For decades, racing has been fighting a losing battle when it comes to attracting a younger audience. That's where Johnson comes

in. He is a social media influencer who has 9.7 million followers on TikTok and 2.6 million on Instagram. He's also a horse owner. Johnson is part of the West Point Thoroughbreds group that owns GI Arkansas Derby winner and GI Kentucky Derby contender **Sandman** (**Tapit**). He'll be at Churchill Downs during Derby week and has promised to spread the word about the joys of racing and horse ownership to his millions of followers.

The plan to get influencers involved in racing and owning horses was hatched by America's Best Racing. West Point Thoroughbreds came forward, joined the program and connected with Johnson, who owns 2.5% of Sandman. Johnson was the Gainesway Guest of the Week on this week's *Thoroughbred Daily News Writers' Room* podcast presented by Keeneland.

"Once he started winning, people started paying attention," Johnson said of Sandman. "So now they see me and Sandman and all of our content on the Internet. I jumped in from day one. We hadn't even seen him really train or do anything yet. It was kind of a 'I trust you, you trust me moment.'"

"No matter how much money you spend or how much prep you put into it, you never know if you're going to get a true winner," he said. "I just thank my lucky stars that I got a piece of Sandman out of all the horses."

He started promoting Sandman as far back as the Arkansas Derby. After that victory, he posted on Instagram: "SANDMAN WINS THE \$1.5M ARKANSAS DERBY. WE ARE RACING IN THE 2025 KENTUCKY DERBY!!!!"

He believes he can help the sport.

"A lot of people have seen the content I've been putting out," he said. "A lot of people want to see everything about horse racing from what they eat to how they get bathed to where they sleep. It's really incredible how interested people are in the A to Z care of these horses.

"And now we're starting to reach out and do press and interviews with amazing people like yourself," he said. "We're collaborating with Gen Z and some of the younger millennials that are on TikTok. We're working on doing the ice bucket challenge this weekend. We're starting to do some charity work when it comes to aftercare.

"I'm trying to use my leverage and social media to promote that. We have some cool things in the works. We have some things we've already done and I want to be as useful as possible to the sport."

He's not promoting just any horse but one of the favorites for the Kentucky Derby.

"I would say that I've had Derby Fever for a few months now," he said. "I know that the Kentucky Derby is the Holy Grail for

horse racing. I can't even believe it whenever I say that I'm going to be participating in the Kentucky Derby. It's surreal."

In our "Fastest Horse of the Week," segment, which is sponsored by WinStar, the hosts went over the many reasons there are breed to WinStar stallion **Independence Hall**.

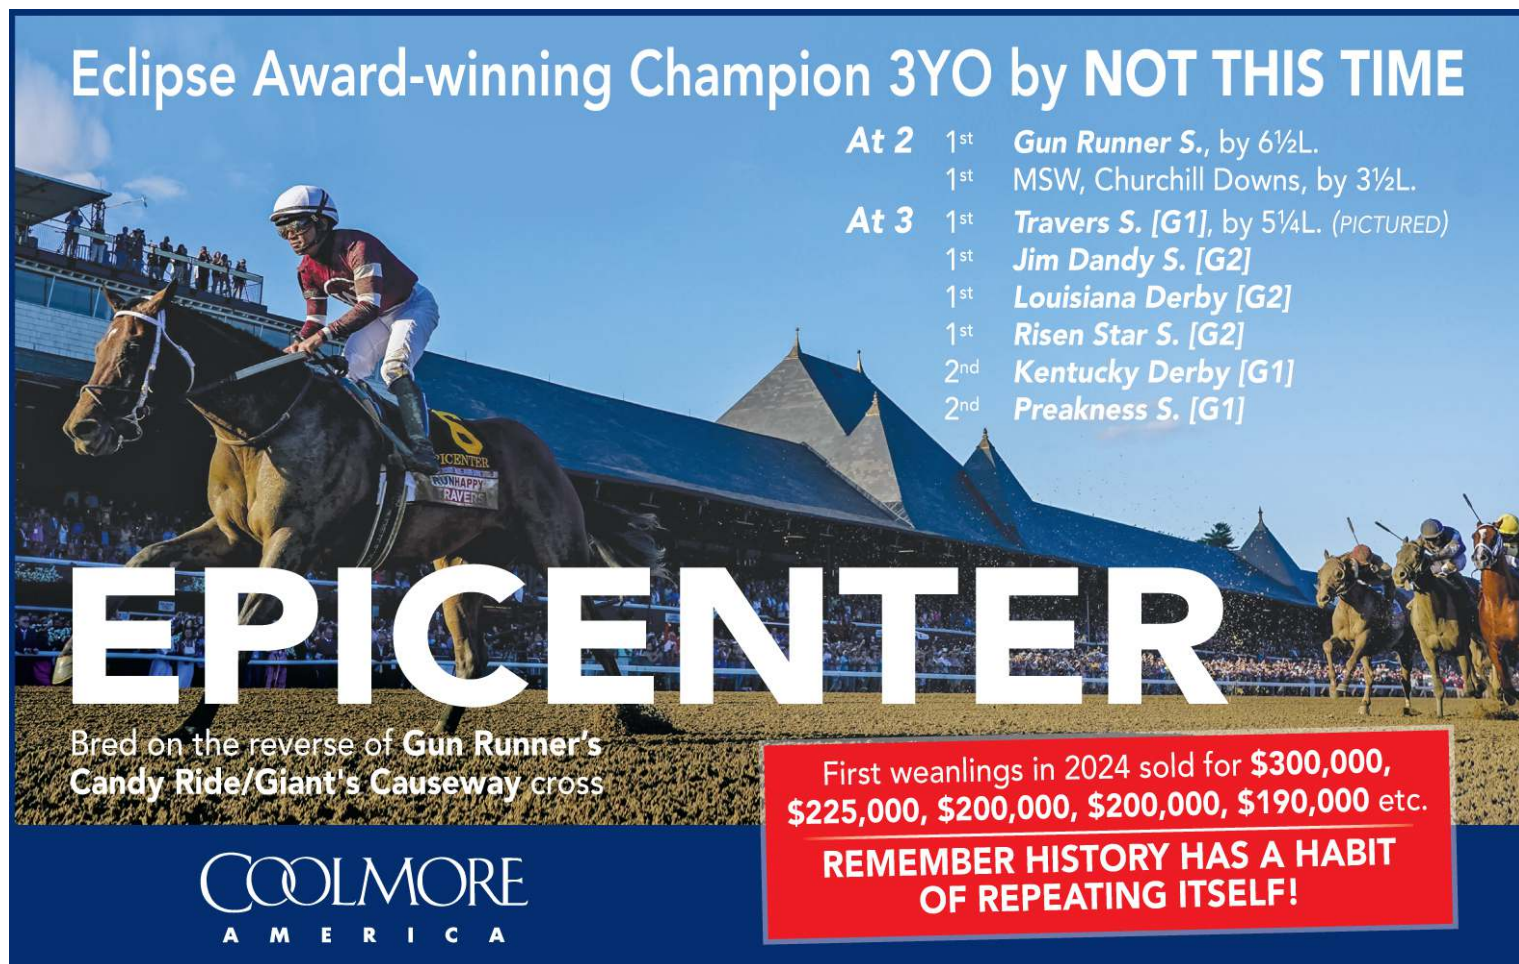

The fastest horse of the week was GII Oaklawn Handicap winner **First Mission (Street Sense)**, who earned a 109 in his victory.

Elsewhere on the podcast, which is also sponsored by the **Pennsylvania Horse Breeders' Association**, **West Point Thoroughbreds**, **Darley Europe**, **1/ST Racing** and **1/ST TV**, the team of Randy Moss, Bill Finley and Zoe Cadman gave their longshot picks for the Derby as well as the horses they thought could be thrown out. We'll save our actual Derby picks for next week.

There was also a discussion of the latest developments in Florida over the decoupling issue. All agreed that the anti-coupling forces won a major battle when Florida Governor Ron DeSantis came out and said he would not be inclined to sign a bill that allowed decoupling.

FUNERAL ARRANGEMENTS SET FOR BRYAN

Funeral arrangements have been confirmed for **Taylor Made Farm's Josh Bryan**, who passed away on Apr. 22 from complications from jaw surgery at the age of 33.

Visitation will take place on Thursday, Apr. 24 from 5 p.m. to 8 p.m. at Kerr Brothers Funeral Home, 3421 Harrodsburg Road in Lexington.

Funeral services will take place Friday, Apr. 25 beginning at 1 p.m. at Mary Queen of the Holy Rosary Catholic Church, 601 Hill N Dale Road, Lexington. Bryan will be laid to rest at Sunset Memorial Gardens, 3250 Versailles Road in Frankfort.

Born with a rare congenital defect called Goldenhar syndrome that affects the development of the ear, nose, soft palate, lip and mandible usually on one side of the body, Bryan endured

better than 15 surgical procedures beginning from the time he was seven weeks old.

Josh Bryan and Frank Taylor | Sara Gordon

In a 2024 interview with TDN's Katie Petrunyak, Bryan explained "I didn't really feel like I had much to live for" given his too-frequent visits to the doctor and having suffered the loss of his parents during his college years. Having turned to alcohol, Bryan was accepted into Shepherd's House, a residential drug treatment center with the help of Taylor Made's Frank Taylor, his second cousin. His path to recovery was documented by Petrunyak as part of TDN's 'Road Back' series.

"He was loved by everyone in the industry," Taylor told TDN's Sue Finley on Tuesday. "He impacted a lot of people. Had a heart of gold. He was dealt a bad hand and played it to perfection. Our hearts are broken."

AS SESSION NEARS END, FLORIDA HOUSE TAX BILL ATTEMPTS TO STRIP OUT FTBOA FROM EXISTING PURSE SUBSIDY LAW

by T.D. Thornton

FTBOA Chief Executive Lonny Powell | Serita Hult

A sprawling, 133-page tax package in the Florida House of Representatives that got advanced by that chamber's Budget Committee on Tuesday includes a small section tacked onto the end of the bill that would maintain \$27.5 million in annual purse subsidies at Gulfstream Park and Tampa Bay Downs while stripping out the Florida Thoroughbred Breeders' and Owners' Association (FTBOA) as a receiving or administering entity for that money.

The annual purse subsidies were signed into law last year. Although the dollar-amount allocation for Thoroughbred entities would remain the same, the language in **House Bill 7033** would take away the annual \$5-million distribution made to the FTBOA that currently gets used to fund Florida-bred and -sired purses, stallion awards, "other racing incentives" and the "promotion of the Florida Thoroughbred breeding industry."

Instead, the House version of the taxation bill would redistribute the FTBOA-allocated money directly to the two tracks to pay the related purses while deleting the requirement that horses eligible for those state incentives must be registered with the FTBOA.

The non-profit FTBOA, which has been in existence since 1945, represents over 1,300 Thoroughbred breeders and owners in the state.

The FTBOA was instrumental in getting the purse subsidy bill passed in 2024, and it has consistently fought against various decoupling issues over the last two decades, including three pieces of legislation that are currently active in the Florida session that is expected to end May 2.

**KEENELAND APRIL SELECTED
HORSES OF RACING AGE SALE**
FRIDAY, APRIL 25

Those **highly controversial decoupling bills** would remove the live racing requirement for Gulfstream Park and Tampa Bay Downs to operate their respective casino and card room.

Lonny Powell, the FTBOA's chief executive officer, told *TDN* on Wednesday that the House's opposition to his organization is intertwined with the FTBOA's adamant stance against decoupling. He added that the FTBOA is used to having to deal with "blowback from any opposition" to such a polarizing legislative topic.

"I don't expect that \$5 million being removed," Powell said. "Remember, there are two branches of the legislature. We just don't believe that the other side is going to really approve that type of obvious [attempt to] take FTBOA's money out and spread it amongst the racetracks that want to decouple. It just doesn't have a lot of traction.

"If you were calling me and saying the Senate voted [for those anti-FTBOA measures], that would be a different conversation. I'm just saying that the House has consistently voted along these directions from the word 'go' this session. They're finishing out their business, and I don't expect them to get any softer or to take any more pressure off of us," Powell said.

"I'm concerned that such a discussion even took place, but not really surprised on the [anti-FTBOA sentiments of] the House. We just feel really good about the Senate doing the right thing,

and [the larger issue of decoupling] is obviously a very complicated and complex issue that [has to] get settled within the last several days of the session.

"We do not anticipate the Senate going along with us being unfunded [via House Bill 7033] from the very [purse subsidy] bill that we championed on behalf of the industry over the last two years."

When the House Budget Committee heard about 45 minutes of testimony on the 2025 tax bill before reporting it favorably by a 16-1 margin Apr. 22, the section about purse subsidies and the anti-FTBOA language did not get discussed.

The 3-year-old went easy as he produced fractions of :13.60, :26.20, :38, 1:02.40 and out six furlongs in 1:15.60, according to Churchill Downs clocker John Nichols.

"On a scale of 1 to 10 this gets a 10," Casse said. "That was his last work before the Derby. I think he grows every time I look at him. He is more than 16 hands, more than 16-3."

The winner of the GI Santa Anita Derby, Journalism hit the track with Marc Witkowski aboard. The **Michael McCarthy**

trainee came on during the 7:15 a.m. to 7:30 a.m ET training window and galloped a mile and an eighth.

"It looked like he got over the track nicely," McCarthy said.

The conditioner said any gate or paddock schooling would be determined as the week progressed along with when his final work would take place before the Derby.

"I'm handicapping the weather," he said.

Rain is in the forecast for Friday with a lesser chance of precipitation Saturday.

As for the gate to wire winner of the GI Wood Memorial, Rodriguez galloped nearly 1 1/2 miles for trainer Bob Baffert.

TRIO OF STAKES ON TAP FOR L.A. COUNTY FAIR MEETING AT LOS ALAMITOS

Three stakes races worth a combined \$400,000 will be staged during the Los Angeles County Fair meeting at Los Alamitos Racecourse. Nine days of live racing are scheduled from Friday, June 20 through Sunday, July 6 on a Friday-Sunday schedule.

The most valuable of the three stakes is the GII Great Lady M. Stakes, which carries purse money of \$200,000. The 6 1/2-furlong test for fillies and mares is set to be run Saturday, July 5.

The \$100,000 Los Alamitos Derby is scheduled for Saturday, June 28. Trainer Bob Baffert has won the race eight years in a row and nine times since the contest--run as the Swaps Stakes at Hollywood Park--was moved to the Orange County oval in 2014.

The other stakes on the calendar is the \$100,000 Bertrando Stakes for California-bred 3-year-olds and up to be run over a mile on Saturday, June 21.

JOURNALISM FAVORED IN PREAKNESS FUTURE WAGER

Journalism (Curlin), widely regarded as the favorite for the GI Kentucky Derby on May 3, has been made the 8-1 choice for the single-pool Preakness Stakes Future Win Wager according to a release from the new Maryland Jockey Club.

Trained by Michael McCarthy, the \$825,000 Fasig-Tipton Saratoga yearling was third over an insufficient six furlongs on career debut last October, but has since rattled off four straight victories at a mile and beyond, most recently overcoming trouble to take the GI Santa Anita Derby Apr. 5.

'**TDN Rising Star**' **Cornucopian** (Into Mischief), who went six furlongs in 1:09.02 at Oaklawn Feb. 23 before weakening to fourth in the GI Arkansas Derby after fighting out nuclear fractions, could attempt to become a ninth Preakness winner for trainer Bob Baffert and is available at odds of 10-1 in the Future Wager.

Baeza (McKinzie) was runner-up in the latter event and will require some help to draw into the Derby field, but the half-brother to the Classic-winning full-brothers **Mage** and **Dornoch**--both by **Good Magic**--has been pegged at morning-line odds of 12-1 for the Preakness Future Wager.

A handful of horses are priced at 15-1 on the morning line, including **Pay Billy** (Improbable), recent winner of the Federico Tesio Stakes and guaranteed a spot in the Preakness; and **Gosger (Nyquist)**, impressive in taking out the GIII Stonestreet Lexington Stakes at Keeneland Apr. 12.

There are a total of 40 betting interests in the Preakness Future Win Wager, with the final one being 'all other 3-year-olds' at 50-1.

The wagering pool opens at noon ET on Friday, Apr. 25 and will close Saturday, May 3 at 6 p.m. ET, prior to the running of the Derby.

This one appears to be a two-horse race between **Immensitude** (Fr) (Lawman (Fr)) and **Forever After All** (Connect). Immensitude was second, finishing three-quarters of a length in front of Forever After All, who was fifth when the two met in the GIII The Very One Stakes. But Forever After All had a much tougher trip. She was bottled up in the back of the pack when the front-runners set fractions of 50.40, 1:16. That she came as close as she did to winning tells you how well she ran that day. The one knock is that she is 3-for-23 lifetime, with 10 seconds. Immensitude enjoyed a perfect trip, saving ground throughout much of the race but did not have the winning kick in the stretch. If you want a longshot to throw on your tickets, consider **Dazzlin' Dictator** (American Pharoah). Two starts back she turned in a huge effort to win an allowance at Turfway by 11 1/4 lengths. She didn't run nearly as well next time in the Latonia S., but may have bounced. **-Bill Finley**

"Keeneland did a great job and put on a great show. And they haven't taken their foot off the pedal just because we're in Book 5. I'm a big supporter of Keeneland because they put back into the industry. They take the money that is made at the sale, and they put it where my favorite spot is, and that is up there at the finish line. And they are doing it all year long."

Tirupati (Mitole) has really come into her own over her last two starts for trainer Jonathan Thomas. The filly won the GIII Wilshire Stakes in gate-to-wire fashion, but won't get an easy lead in here thanks to presence of the sprinter **Hamwood Flier (Ire)** (Kodiak {GB}). But Tirupati has proven that she can rate and may get the perfect trip stalking a speedball who probably can't go this far. It's worth noting that Antonio Fresu will ride **Public Assembly** (More Than Ready) for Phil D'Amato instead of stablemate **Uncorked (Aus)** (Pierro) ({Aus}), who looks better on paper. Public Assembly prepared for this with a bullet workout and might be ready to show improvement after winning an allowance race in her first try for D'Amato. Uncorked hasn't been winning but has been fairly consistent while tackling graded stakes competition and is the third pick.

UPSTART'S PERCY'S BAR OVERCOMES ROUGH START TO EARN RISING STARDOM

Percy's Bar winning at Keeneland Wednesday | Coady Media

by Christina Bossinakis

Facing a couple of starters from barns that typically hold hot hands in Keeneland's baby races at this time of the year, **Percy's Bar** (**Upstart**) overcame trouble in the early going of her 4 1/2-furlong career debut before rolling past her competition late to win by an emphatic margin at Keeneland Wednesday afternoon.

Pinched back as **In the Aggregate** (**Raging Bull {Fr}**) veered over on her at the onset, Percy's Bar found trouble at the hooves of that rival again, forcing to check while passing the gap as the free-flying favorite **Gracie's Delight** (**American Pharoah**), from the Wesley Ward barn, opened a clear lead. Taking it to the frontrunner approaching the home turn, Repole Stable's **Nonna's Love** (Caravaggio), sent off the 9-2 third choice for Todd Pletcher, caught the pacesetter at the quarter pole and it appeared that either one of those were in position to win. However, steadily making up ground from the back, Percy's Bar narrowed the margin on the frontrunners, drove up the inside to catch them in the final sixteenth and drew clear to score by four widening lengths. **Cat Island** (Catalina Cruiser) closed to catch second while Nonna's Love held on to third.

Run as the second race of Keeneland's Wednesday card, Percy's Bar was named in honor of Keeneland's longtime bartender, the late Percy Poole.

A \$52,000 Keeneland September yearling purchase, the filly is out of the unraced Honestly Deb, who is also responsible for a yearling filly by **Cairo Prince**.

SUGAREE (IRE) (m, 5, Camelot {GB}--Pakora {Fr} {MSP-Fr, \$106,519}, by Gentlewave {Ire}), a winner of a single start for Joseph O'Brien in Ireland last season, marked her stateside debut under the guidance of Arnaud delacour with a sixth going 12 furlongs at Gulfstream Feb. 13 before finishing an improved third last time in an 11-furlong test Mar. 14.

Given a 3-1 chance for this third U.S. go, the grey stalked a modest early pace in fifth, made headway in the stretch and was up in time to score by a 1/2 length over Parish Lane (**Justify**). Pakora produced a colt by Ghaiyyath (Ire) in 2023 followed by a colt by **Saxon Warrior (Jpn)** last term. Sales history: €200,000 Ylg '21 GOFOR. MIDWAY MEMORIES (f, 3, Cairo Prince--Memories Prevail, by Creative Cause), a nose second in her career debut going a mile at Tampa Mar. 19, was installed the 3-5 choice while adding a sixteenth. Midway Memories broke well and dropped back to sixth as a host of fillies led through an opening quarter in :24.32. Tucked in along the inside and content to survey things through a :48.25 half, the grey eagerly awaited running room and finally broke through as Manny Franco angled the filly to the outside for their stretch run. Gaining momentum down the stretch, she was up in time to defeat the 25-1 longshot Magnum's Microbrst (Get Stormy) by a length on the line. The winner is a half to Sol Principe Gris (Summer Front), Horse Of The Year-Pan, Ch. 2-year-old Colt-Pan, Ch. Miler-Pan, MSW-Pan, \$104,388 and Zandon (**Upstart**), GISW, \$2,200,000. ACCENT (GB) (f, 3, Pinatubo {Ire}--Dreamlike {GB}, by Oasis Dream {GB}) was one of two winners bred by Fittocks Stud and Arrow Farm Stud Wednesday after Early Adopter (GB) (Lope de Vega {Ire}) scored at Keeneland earlier in the day. Hailing from the same family as the winner in Lexington, Accent, also trained by Chad Brown, was installed the 7-2 third choice for this career unveiling. Reserved off the early pace, the dark bay turned on the jets turning for home and got her neck down ahead of Don't Jinx It (Kitten's Joy) at the wire. The winner, a half to Program Trading (GB) (Lope de Vega {Ire}), MGISW, \$1,324,250, also has a juvenile brother by Too Darn Hot (GB). Sales history: 260,000gns Ylg '23 TATOCT. HUNT FOR ROYAL ASCOT ROCKETS GETS UNDERWAY AT GOFFS BREEZE-UP SALE

Ellie Whitaker: "Fingers, toes, legs--everything is crossed for the sale now." | Alayna Cullen Birkett

By Brian Sheerin

DONCASTER, UK--The clock doesn't lie, nor do the results on the track. Goffs has come good on its promise to send owners and trainers to the hallowed ground that is the winner's enclosure at Royal Ascot with 10 graduates managing such an achievement in the last nine years.

Few sales companies can boast a similar roll of honour. Put simply, anyone with designs on rocking up to Royal Ascot in June will not have to think long and hard about speculating at Doncaster this week. Past performances are a barometer to the future and, just last year alone, Queen Mary heroine Leovanni (Ire) (Kodi Bear {Ire}) along with the similarly smart Aesterius (Ire) (Mehmas {Ire}), Powerful Glory (Ire) (Cotai Glory {GB}), Black Forza (Complexity) and Electrolyte (Ire) (Hello Youmzain {Fr}) were sourced at this sale.

In fact, Leovanni heads a total of nine graduates who have gone on to achieve official ratings of 100 or greater. Not only can Blandford Bloodstock's ace agent Richard Brown lay claim to buying the Queen Mary winner for £190,000, but he also bought Coventry Stakes second and third Electrolyte and Columnist (GB) (Ardad {Ire}), along with G2 Flying Childers winner Aesterius. Some shooting, in fairness. [Cont. p3](#)

DE BROMHEAD AIMING HIGHER ON FLAT WITH LONGCHAMP RETURN *By Emma Berry*

There may still be Punchestown to come of the major jumps festivals but on Sunday the focus of Henry de Bromhead will be firmly on the Flat and a possible first Group 1 triumph.

Higher Leaves (Ire), one of six horses confirmed for the G1 Prix Ganay at the latest stage, returns to Longchamp where she won the Listed Prix de Liancourt last September before following up in the G3 Prix Fille de l'Air in Toulouse.

The four-year-old daughter of Golden Horn (GB) was just one of a number of smart Flat performers for de Bromhead last year. He landed the prestigious Ebor Handicap with Magical Zoe (Ire) (Shantou) as well as back-to-back wins in England for Term Of Endearment (GB) (Sea The Moon {Ger}) in York's G3 Bronte Cup and the G2 Lillie Langtry Stakes at Glorious Goodwood.

Ante-post favourite *Field Of Gold (Ire)* (*Kingman {GB}*) could be Juddmonte's sole representative in the Betfred 2,000 Guineas at Newmarket.

7 | DANCER ADDED TO DERBY ENTRIES

Recent Southwell novice winner *Nighttime Dancer (Ire)* (*Ghaiyyath {Ire}*) has been added to the potential field for the Betfred Derby at the latest entry stage.

But some very smart horses, who undoubtedly will reach high ratings in time, have also been sourced from this sale as well. Take Glenderry (GB) (Mohaather {GB}) for example. He was bought by Jack Davison for £48,000 before being traded on to continue his career in Hong Kong after he achieved a rating of 93 when landing a competitive Dundalk maiden on his second start for the trainer in October. Along with bloodstock agent Barry Lynch, Davison has returned to Doncaster this week in search of more value.

He said, "It's well-documented that this sale has a proven track record in producing Royal Ascot winners but, if you go against the grain, you can find value here. I think Glenderry breezed 68th on overall rankings but he was just a gorgeous horse that needed a bit of time. There is more than just early two-year-olds in this sale and, if you are prepared to think outside the box a little, you can find yourself a nice

racehorse. I'm looking for the seven furlong or the miler type of horse. If something clocks really well, I'm out of the picture because I don't have the budget. But I love shopping at this sale and hopefully we can find one or two tomorrow that fits into

our bracket."

Buyers will undoubtedly have to get the cheque book out to secure lot 175, a Cotai Glory (GB) filly who breezed particularly well for Ellie Whitaker of EMW Equine. The Cotai Glory filly looks a shrewd purchase now given Whitaker sourced the daughter of juvenile winner Rosie Bassett (GB) (**Wootton Bassett {GB}**) for just £32,000 from Tally-Ho Stud at last year's Premier Yearling Sale.

Whitaker, who is perhaps best known for selling the smart Royal

Aclaim (Ire) (Aclaim {Ire}) through the breeze-up sphere, admits that the Cotai Glory featuring prominently in all of the timing sheets exceeded expectations. Meanwhile, lot 148, a colt by Sergei Prokofiev, also breezed quite well for the outfit. **Cont. p4**

Whitaker said, "Delighted. We've brought two nice horses and one has gone a little bit better than we could have expected. Couldn't be happier, really. When you are watching the breeze on the screen, you can never really tell, but she [the Cotai Glory filly] has a huge stride and has always been very professional. Her homework has always been strong and we thought she was a nice filly so she's gone and proved that today. She can hopefully go on and prove it on the track now as well. The Sergei Prokofiev colt breezed well as well. He is a nice progressive horse so hopefully they can both go well tomorrow. Fingers, toes, legs--everything is crossed for the sale now."

The breeze-up season got underway with a bang at Tattersalls last week where numerous records were broken at the Craven Sale. But away from the two seven-figure lots and record turnover [nearly 20 million gns], the 83% clearance rate pointed to a strong demand for breeze-up horses across the board. Goffs chief Henry Beeby agreed and said he is hoping for more of the same this week.

"I thought it [the Craven Breeze-Up Sale] was very positive--there was so much interest at so many levels, which I thought was encouraging," he explained. "There seemed to be a diverse range of buyers and that's also positive. We've had very good feedback for this sale--the catalogue is good and the reports from the vendors have been strong all the way through."

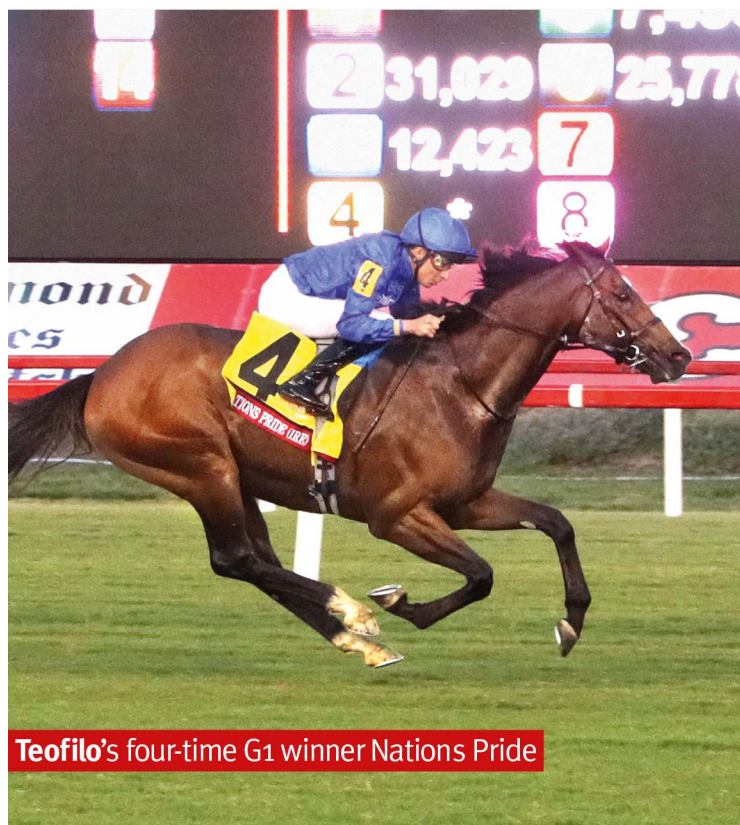

Beeby added, "We think we have assembled a very strong group of horses and there are plenty of buyers here as well. We campaigned vigorously in the Middle East with extensive trips in Qatar, Bahrain, Saudi Arabia and Dubai and we're hoping that will result in increased interest from that part of the world tomorrow."

There was a notable number of Middle Eastern buyers among the good footfall of people that were busy inspecting the barns following the breeze on Wednesday. Irishman Eoin Sullivan, who has been based in Asia for a number of years now, was one such agent responsible for bringing a group of Saudi Arabian-based owners and trainers to Doncaster this week for the breeze-up sale.

He said, "We are buying primarily for Saudi Arabia. There is a chance that we could leave something in Ireland or France and run them in Europe before importing them to Saudi Arabia. We've sent a few to Fozzy Stack and it seems to be working out well. Aziz Alizhabi and Abdullah Alamonif, who actually trains Abriq Alkhayl (**Twirling Candy**), who we bought here last year, have made the trip so we're looking forward to doing some business this week." **Cont. p5**

Sullivan added, "There is a bit of momentum in the Middle East at the moment. I used to do a lot of business in Singapore before things went there so it's been a case of one door closing but another door opening with regards to me personally. So we have a few different orders to fill and the plan is to stay on and go to the Guineas Breeze-Up Sale as well."

The sale, which features the progeny of Havana Grey, **Wootton Bassett**, Blue Point, Mehmas, **No Nay Never** and more, kicks off at 10am on Thursday.

Term Of Endearment, who was de Bromhead's first runner in a Group 1 in the Prix de Royallieu on Arc weekend last October, has subsequently been bought by Yuesheng Zhang of Yulong Investments and joined William Haggas's stable over the winter.

"The Flat has been really good to us and we enjoy it," says the trainer. "We had a super year last year and we've always dabbled in it, though more from the point of view of trading. But we were lucky enough to retain a few nice ones, like Magical Zoe, who came more from the National Hunt side, and Term Of Endearment and a few others. It's something we hope to do more of."

Henry de Bromhead | [Racingfotos.com](#)

That last statement should strike a certain amount of fear into the hearts of Flat trainers, for de Bromhead has already won most of the major prizes that National Hunt racing has to offer. In a memorable 2021 he completed the jumping grand slam of the Cheltenham Gold Cup, Champion Hurdle, Queen Mother Champion Chase and the Grand National with Minella Indo (Ire), Honeysuckle (GB), Put The Kettle On (Ire) and Minella Times (Ire). Group 3 winner Higher Leaves returns to France this Sunday
Racingfotos.com

Henry de Bromhead cont.

The first Group 1 of the European season would be a welcome addition to that portfolio, though Higher Leaves still has two options open to her this Sunday.

De Bromhead says, "She's in both races--the Ganay and the [G3 Prix] Allez France and we'll decide which one she'll go to nearer the time.

"She's really filling out her frame and she's working well so we are hopeful that she has come on again from last year. Golden Horn is a brilliant sire and he can get good middle-distance horses on the Flat and Champion Hurdlers--though I don't think we'll be hurdling our lady."

Indeed, the last time Higher Leaves was seen at Longchamp she was sporting the colours of John Halley, who owned her in partnership with Ciara Hogan, but in her last two starts, which have included finishing third in the G3 Pride Stakes at Newmarket, she has run for leading Flat breeder James Wigan. The filly was bred by Derek Icton and is a second black-type winner for the Declaration Of War mare Dettoria (GB) after Selenia (Ire) (Sea The Moon {Ger}), who landed Santa Anita's GIII Honeymoon Stakes in 2023.

Higher Leaves spearheads a Flat team of around 30 at de Bromhead's Co Waterford stable.

"We have 10 or 12 older horses and then some two-year-olds coming in as well," he says. "There are plenty of nice ones."

Rubies From Burma (American Pharoah) and Thalara (Ire) (Awtaad {Ire}) have already accrued some black type this year, each finishing third in Listed contests at Kempton and Leopardstown respectively. There are more to come.

De Bromhead adds, "Town And Country (Ire) (Earthlight {Ire}) won her maiden well last year and is probably going for the Polonia Stakes at Cork [May 6]. Hollys Graces (Ire) won her

maiden first time out, she looks nice, an **Australia (GB)** filly, and she'll go for a black-type race in the next couple of weeks."

If she stands her ground for the Ganay, Higher Leaves could face up to five opponents, including fellow Irish raider Al Riffa (Fr) (**Wootton Bassett {GB}**), the in-form Map Of Stars (GB) (**Sea The Stars {Ire}**), who has already won two group races this year, and the Wertheimers' G1 Grand Prix de Paris winner Sosie (Ire) (**Sea The Stars {Ire}**).

FIELD OF GOLD LIKELY TO FLY SOLO FOR JUDDMONTE IN 2,000 GUINEAS

Ante-post favourite **Field Of Gold (Ire)** (**Kingman {GB}**) could be Juddmonte's sole representative in the Betfred 2,000 Guineas at Newmarket, Barry Mahon revealed on Wednesday.

Trained by John and Thady Gosden, Field Of Gold is currently one of four entries for Juddmonte in the first British Classic of the season, alongside stable-mate **Detain (Ire)** (**Wootton Bassett {GB}**), Andrew Balding's G3 Greenham Stakes winner **Jonquil (GB)** (Lope De Vega {Ire}) and the unbeaten **Cosmic Year (GB)** (**Kingman {GB}**), who made it two from two for the Harry Charlton yard when recently winning a Kempton novice by five lengths.

Mahon had previously intimated that the Juddmonte team wouldn't be afraid to run more than one of their exciting colts at Newmarket on Saturday, May 3. However, that now appears increasingly unlikely as the major owner-breeder operation shuffles its pack, with Field Of Gold the only confirmed runner in the 2,000 Guineas following his impressive victory in last week's G3 Craven Stakes over the same course and distance.

"They're all left in and I think current plans are roughly that Field Of Gold will go to Newmarket and we're on weather-watch with the rest of them," said Mahon, Juddmonte's European racing manager.

"Jonquil and Detain are both loosely pencilled in to go to ParisLongchamp [for the Poule d'Essai des Poulains] the following weekend and Cosmic Year could go to the King Charles II on the Friday of the Guineas meeting in Newmarket, with a view to maybe going to the Irish Guineas after that. That's roughly where we're at but, if it looked like France was getting a lot of rain, like they are at the minute, we could divert Jonquil back to Newmarket."

[Cont. p7](#)

Field Of Gold | PA Media

Juddmonte cont.

Mahon added, "We just think Longchamp would set up nicely for him [Jonquil] and because last year he bounced when making a quick reappearance, Andrew was keen to give him the extra week. If it looked like it was going to be good ground in France, we'll go there, and if not we'll pull back into Newmarket."

Mahon also issued a positive bulletin on two of Juddmonte's leading fillies, with **Red Letter (GB)** (**Frankel (GB)**) on course to make her seasonal reappearance in the Betfred 1,000 Guineas at Newmarket on Sunday, May 4, before last week's G3 Nell Gwyn Stakes heroine **Zanzoun (GB)** (Dubawi {Ire}) more than likely runs in the Poule d'Essai des Poulisches the following weekend.

"She is still on course for Newmarket," Mahon said of Red Letter. "She's in good form and Ger [Lyons] is happy with her. She's very much on track."

"I think we're still leaning towards Longchamp with Zanzoun. Maybe if there was a deluge of rain in Newmarket, which nobody is telling me there's going to be, we might look at supplementing her, but I think we'll be sticking to Plan A and that is France."

NIGHTTIME DANCER ADDED TO DERBY ENTRIES

Recent Southwell novice winner **Nighttime Dancer (Ire)** (Ghaiyyath {Ire}) has been added to the potential field for the Betfred Derby at the latest entry stage.

Owned by Norway's Stall Perlen, the colt was bought as a foal by Peter and Ross Doyle for 110,000gns from his breeder GCE Farm and is trained by Richard Hannon. Nighttime Dancer, whose granddam Ragsah (Ire) Shamardal is a half-sister to Dubai Millennium (GB), has a fascinating pedigree as he is inbred to the latter's dam Colorado Dancer (Ire) and also to Urban Sea through her Derby-winning sons Galileo (Ire) and **Sea The Stars (Ire)**, who features as Nighttime Dancer's broodmare sire.

The colt was third at Newmarket on his sole start last year and he holds an entry for the G2 Dante Stakes on May 15. He becomes the fourth member of the first crop of Darley's Ghaiyyath to be given a Derby entry, after Gethin (Ire), Ivatt (GB) and Stanhope Gardens (Ire).

There are 91 entries for the Derby, which is to be run on Saturday, June 7. **Wootton Bassett (GB)** is the stallion with the highest number of entries, with his 12 including the Group/Grade 1 winners Twain (Ire), Henri Matisse (Ire) and Tennessee Stud (Ire). **Frankel (GB)**, whose son Adayar (Ire) won the 2021 Derby, and Dubawi (Ire), the sire of last year's Oaks winner Ezeliya (Fr), are next with nine entries apiece.

The betting is currently headed by the Aidan O'Brien-trained Acomb Stakes winner The Lion In Winter (Ire), a son of the 2009 winner **Sea The Stars (Ire)**. He is reportedly set to make his seasonal debut in a return trip to the Knavesmire for the Dante Stakes.

ENHANCED PHOTO-FINISH TECHNOLOGY FOR IRISH RACING

The new cameras will be in use from the Punchestown Festival | HRI

Horse Racing Ireland (HRI) has upgraded the equipment and technology used to determine the outcome of photo finishes at all 26 racecourses across Ireland.

From next week's Punchestown Festival there will be 12 state-of-the-art photo-finish cameras in use along with a number of large 4K ultra high-definition screens, which will be used to evaluate results.

Graham Reid, HRI's Technical Operations Supervisor, said, "These new cameras have incredible capabilities, with even greater sensitivity in lower daylight and unbelievable high speed.

"With 40,000 frames per second and a pixel density exceeding 5,000 pixels, no detail will be missed. The cameras deliver sharper, clearer images with the highest possible time differentiations. The new equipment reflects our dedication to delivering the best possible experience for our audience."

ROR EXTENDS ELIGIBILITY TO ALL THOROUGHBREDS

Retraining of Racehorses (RoR) has announced updated eligibility criteria which allows all Thoroughbreds bred for racing worldwide, but located in Britain, to register with RoR free of charge.

Previously only horses who had raced or had been in training with a licensed trainer were eligible for registration. It is hoped that this change, to include those horses who never entered training, will enhance the traceability of horses across the racing industry.

Such horses can now be registered under a newly created "NT" (not been in training) number but will be required to have an official racing passport from an internationally recognised stud book. RoR will not, however, be opening its competition series to Thoroughbreds that have not been in training, though this situation is under review.

David Catlow, managing director of RoR, said, "RoR's expanded eligibility to register with RoR underscores our continued commitment to safeguarding the wellbeing of all former racehorses, including Thoroughbreds bred for racing as outlined in the RoR Strategy 2024-2026. This ensures they receive the necessary support to lead a well-supported life beyond racing."

5th-Saint-Cloud, €27,000, Mdn, 4-23, 3yo, f, 12fT, 2:47.38, vsf.
ELEGANZ (IRE) (f, 3, **Adlerflug {Ger}**--**Kizingo {Ire}**, by **Oasis Dream {GB}**) raced off the pace in eighth for most of this debut. Scrubbed along to reduce arrears in early straight, the 9-5 chalk made continued headway under pressure into third passing the furlong pole and stayed on strongly to assert by 1 1/2 lengths from Highara (Fr) (Latrobe {Ire}).

5th-Saint-Cloud cont.

Eleganz is the latest of three foals and second scorer produced by a winning daughter of G1 Preis der Diana (German Oaks) victrix Enora (Ger) (Noverre), the first being last term's German Oaks heroine Erle (Ger) (Reliable Man {GB}). Enora, herself a daughter of G2 Premio Lydia Tesio runner-up Enrica (GB) (Niniski), is a half-sister to four black-type winners headed by multiple Group 1-placed dual G2 Hansa-Preis victor Egerton (Ger) (Groom Dancer). The March-foaled chestnut's dam Kizingo (Ire) (**Oasis Dream {GB}**) is a half-sister to G3 Preis des Winterfavoriten-winning sire Erasmus (Ger) (Reliable Man {GB}). Sales history: €300,000 Ylg '23 BBAGS. Lifetime Record: 1-1-0-0, €13,500.

6th-Saint-Cloud, €27,000, Mdn, 4-23, 3yo, c/g, 12fT, 2:49, vsf. ASMARANI (IRE) (c, 3, Sottsass {Fr}--Azama {Ire}, by Sea The Stars {Ire}), a Mar. 25 debut runner-up over course and distance last time, lobbed along off the pace in seventh until sent forward into second with five furlongs remaining. Bustled along when fanning wide off the home turn, the 2-5 lock was driven to the front approaching the final furlong and stayed on in resolute fashion underneath the stands' sile rail to subdue Degottex (GB) (Sea The Moon {Ger}) by three lengths. Asmarani is the fifth of six foals and third scorer out of an unraced half-sister to multiple Group 1-winning European champion Azamour (Ire) (Night Shift) and the dam of multiple Group 1-winning Australian champion The Autumn Sun (Aus) (Redoute's Choice {Aus}). His stakes-winning second dam Asmara (Lear Fan) is a half-sister to G1 Prix Ganay-winning sire Astarabad (Alleged). The February-foaled homebred bay is a half-brother to G3 Munster Oaks runner-up Azamat (Ire) (**Camelot {GB}**), the dual stakes-placed Azallya (Ire) (Le Havre {Ire}) and a 2-year-old filly by New Bay (GB). Lifetime Record: 2-1-1-0, €18,900.

FIRST WINNER FOR SIRE

1st-Lyon-Parilly, €23,000, Cond, 4-23, 2yo, 5fT, :58.79, sf. LADY' ARMOR (FR) (f, 2, Armor {GB}--Faadiyah {Ire}, by New Approach {Ire}), runner-up on debut at La Teste last month, travelled strongly in the slipstream of the early leader before looming on the front end inside the final two furlongs. Asserting from there, the 13-2 shot hit the line with 3 1/2 lengths to spare over Wana Choje (Fr) (Gutaifan {Ire}). In doing so, she was becoming the first winner for Haras de Bouquetot's first-season sire (by **No Nay Never**). The winner is the first foal out of the dam, a granddaughter of the 1,000 Guineas-placed Muwakleh (GB) (Machiavellian) whose yearling filly is by Gutaifan (Ire). This is the family of the G1 Dubai World Cup-winning sire Almutawakel (GB) and White Muzzle (GB). Lifetime Record: 2-1-1-0, €15,870.

Champion Miler Charyn Debuts at Sumbe

5th-Lyon-Parilly, €21,000, 4-23, 3yo, 1350mT, 1:25.07, sf.
HONEYFLOWER (GB) (f, 3, Kingman {GB}--Tulips {Ire} {MGSP-Fr, \$150,804}, by Pivotal {GB}), dropped in trip having been fifth over a mile at Chantilly last month, raced behind the early pace. Hitting the front a furlong out, the 13-10 favourite asserted to score by 2 1/2 lengths from Bobrovkha (Fr) (Kendargent {Fr}). The dam, who proved a smart sprinter when finishing runner-up in the G3 Prix de Meautry and G3 Prix du Palais-Royal, sadly died after foaling this filly. She represented a major loss to Godolphin, having produced a trio of stakes performers from her first four foals. They are the G1 Natalma Stakes and G3 Fred Darling Stakes winner Wild Beauty (GB) (Frankel {GB}), the G3 Burj Nahaar scorer Desert Wisdom (GB) (Dubawi {Ire}) and the G3 UAE Oaks runner-up Swift Rose (Ire) (Invincible Spirit {Ire}), in turn responsible for last year's 2,000 Guineas and G1 Sussex Stakes hero Notable Speech (GB) again by Dubawi. The third dam Cherokee Rose (Ire) (Dancing Brave), who was successful in the G1 Prix Maurice de Gheest and G1 Haydock Sprint Cup, is the ancestress of several top-level performers including Invincible Spirit's sire Cable Bay (Ire) and Shamardal's G1 Eclipse Stakes-winning sire Mukhadram (GB). Lifetime Record: 3-1-1-0, €16,050.

PROISIR'S FEE CUT TO NZ\$70,000

Proisir | Rich Hill Stud

New Zealand's former champion sire Proisir (Aus) will stand at NZ\$70,000 at Rich Hill Stud for the forthcoming Southern Hemisphere breeding season.

The 15-year-old son of Choisir (Aus) is lying in second place in the current sires' championship. He heads a roster of five at the stud, including Satono Aladdin (Jpn), who stands at NZ\$45,000, and Melbourne Cup winner Shocking (Aus), whose fee is NZ\$10,000.

Proisir is responsible for 19 individual stakes performers so far this season and leads the way in the New Zealand sires' table by number of individual stakes winners (seven) and number of winners (41).

8	8	Epsom Blue Cen (Ire)	Blue Point (Ire)	Devin	Madamet	122

In an open renewal of this low-key stepping stone, Paul and Oliver Cole's British raider **Champagne Powder** has solid claims, despite his status as a three-race maiden. The G1 Poule d'Essai des Poulains entry was under two lengths adrift of G1 Criterium International runner-up Mount Kilimanjaro (Ire) (**Siyouni {Fr}**) when third in this venue's €260,000 Criterium d'Automne on Arc Weekend and he registered a promising comeback second over one mile at Compiègne four weeks ago. Aga Khan Studs nominee **Zalari**, who hails from the in-form Francis Graffard yard, devoured Chantilly's polytrack surface when notching a six-length tally on seasonal bow last month and rates an obvious danger. Yeguada Centurion's G1 Prix Morny fifth and G3 Prix Eclipse fourth **Epsom Blue Cen**, an Henri Devin-trained G1 Poule d'Essai des Poulaches entry representing last year's winning stable, is compromised by the outside draw but overcame a similar disadvantage when winning her latest start at Chantilly in October. Andre Fabre, who last won this heat in 2020 with recent G1 Sydney Cup hero Arapaho (Fr) (Lope De Vega {Ire}), relies on impressive Saint-Cloud maiden winner **Tolebi** and the more experienced **Burhan**.
